

MCS invites you to a Presentation and Discussion Meeting

on Tuesday 18 October 2016

The Draft Liverpool Local Plan (2016)

MIKE ECCLES

(Liverpool City Planning Department)

MCS is pleased to welcome Mike Eccles, who has kept the Society and wider related societies throughout the city and beyond informed about the progress of preparing the new draft Local Plan for the city, to a meeting on the draft Plan that has recently been made available for consultation.

After a brief introduction to some key aspects of the draft, the remainder of this evening's meeting will be devoted to a series of Q&As and discussion. It is hoped that these will help inform the preparation of MCS's response to the draft and be helpful to local Affiliated Societies and Individuals too.

In order to help to structure the list of Questions and Discussion Points, please contact MCS Council Member, Jeff Gibbons with your contribution(s) before Sunday 16 October : jeffgibbons@btinternet.com

Details of the draft Plan, which you may want to view first, can be found on the Liverpool City Council website:

http://consult.liverpool.gov.uk/portal/draft_liverpool_local_plan

The formal consultation finishes on 31 October at 17-00hrs.

**18-30hrs for 19-00hrs start at
the Quaker Meeting House, School Lane, Liverpool**

All are welcome to attend this open meeting
