

Hi

We hope you're looking forward to the year ahead!

Now you're here, it's important to make sure your gadgets and possessions have the right kind of insurance cover to meet your personal needs.

The great news is that we include insurance for all students that live with us, via Endsleigh. It's important to confirm your cover to fully understand what is and isn't covered – and to complete your cover to make sure you have the insurance you need.

Need cover when you're out and about too?

Why not pick up one of our student packs? For most students, this extra cover is the cheapest and easiest way to insure your stuff when you're out around campus. Simply pick a pack and cover your stuff against theft and accidental damage.

- No excess on crime related claims
- 24 hour replacement of your gadgets, if stolen or **unable** to be repaired. (Following a claim being approved)
- Protection anywhere in the UK, up to 90 days worldwide
