September

Workshops
September workshops

Canvas Bootcamp
This weeklong programme provides daily 90-minute themed workshops, and are an effective and efficient way to learn the basics of Canvas.

Monday 6 - 10 September
09:30 - 11:00 BST

Introduction to Digital Education Tools
This workshop will cover what digital tools and technologies we have for learning and teaching at the University.

Monday 6 September
14:00 - 15:00 BST

The value of Open Educational Resources (OERs)
Join this session to learn about Open Educational Resources (OERs) and how to integrate them into your curriculum.

Tuesday 14 September
11:00 - 12:00 BST

Designing Rubrics for Assessment
This workshop will focus on designing rubrics that will enhance the assessment experience for both staff and students.

Wednesday 15 September
14:00 - 16:00 BST

Teams and O365 for Teaching and Learning
Learn how to use Microsoft Teams to design formative assessments, create a library of resources, and collaborate with a whole class.

Thursday 16 September
13:00 - 14:00 BST

ePortfolios for Assessment
This workshop is aimed at anyone who is considering ePortfolio for assessment in their module/programme.

Friday 17 September
14:00 - 16:00 BST

Building Online Learning Communities
Join this workshop to learn about the principles behind creating an effective online community for a special cause, initiative or programme.

Thursday 23 September
13:00 - 13:45 BST
October
Workshops
October workshops

A community of Inquiry (Col)
Approach to Online Teaching and Learning

In this session we will look at the importance of cognitive, social and teaching presence in designing and facilitating effective learning.

Thursday 7 October
11:00 - 12:30 BST

Maximising the impact of face to face and online learning

This workshop will explore how to use face to face and online spaces to maximise the impact of teaching and enhance the student experience.

Tuesday 12 October
11:00 - 12:00 BST

Microsoft OneNote Teaching and Learning

This workshop will introduce you to the use of Class Notebook and explore how you can use the tool to design digital spaces.

Thursday 14 October
14:00 - 15:00 BST

Testing, testing, 1-2-3: Pocasting with CIE

In this workshop, you will learn everything from technical guidance and equipment tips to overall series strategy when it comes to podcasts.

Tuesday 12 October
13:00 - 14:00 BST

Assessing Online groupwork through Peer Evaluation with Buddycheck

This session will introduce you to Buddycheck, a simple tool that integrates with Canvas to enable you to use peer evaluation.

Tuesday 19 October
11:00 - 12:00 BST

DEN: The intersection between digital education & diversity and inclusion.

The intersection between digital education & diversity and inclusion.

Thursday 21 October
12:30 - 14:00 BST
An introduction to Producing Engaging Video

A hands-on session exploring available tools to create screencasts and engaging video content.

Thursday 26 October
11:00 - 12:00 BST

Decolonising the Curriculum

UoL has embarked on a journey of decolonisation of the curriculum and will be focusing on achieving the Advance HE Race Equality Charter.

Thursday 28 October
12:00 - 13:00 BST

Using Visual Collaboration Tools in Teaching & Learning

In this session we will focus on the use of visual collaborative tools that can be adopted for teaching and learning.

Tuesday 26 October
14:00 - 15:00 BST
November Workshops
November workshops

Improving students assessment and feedback literacy
This session will provide attendees with practical teaching and learning strategies to improve students assessment and feedback literacy.

Wednesday 3 November
14:00 - 15:00 GMT

DEN – Using Visual Collaboration Tools in Teaching & Learning
In this session, we will focus on the use of visual collaborative tools that can be adopted for teaching and learning.

Thursday 4 November
12:30 - 14:00 GMT

Introduction to Digital Tools for Education
This introductory workshop will provide an overview of the core supported digital tools that are available to university staff.

Tuesday 9 November
11:00 - 12:00 GMT

Adding captions and creating transcripts for your multimedia
In this workshop, you will learn how to make your synchronous and asynchronous multimedia content more accessible.

Tuesday 9 November
14:00 - 15:00 GMT

Digital Accessibility for Learning and Teaching
In this webinar, we will cover some basic principles to consider for teaching and learning in a digital setting.

Thursday 11 November
14:00 - 15:00 GMT

Accessible multimedia - Drop-in
Join the Digital Resources Team (CIE) for a drop-in session to support you with the accessibility of your documents and multimedia.

Thursday 11 November
15:00 - 16:00 GMT

Assessing Online groupwork through Peer Evaluation with Buddycheck
This session will introduce you to Buddycheck, a simple tool that integrates with Canvas to enable you to use peer evaluation.

Thursday 18 November
14:00 - 15:00 GMT
December

Workshops
December workshops

An introduction to education for sustainable development

This workshop is an opportunity for any staff new or wanting to enhance their understanding of education for sustainable development (ESD).

Tuesday 7 December
11:00 - 12:00 GMT
