

ORDINANCE 53: Degree of Master of Architecture

1. The University may award the degree of Master of Architecture with Honours to students who have pursued an approved programme of studies, as set out in the programme specification for the degree, to the satisfaction of the Board of Examiners. The programme specification shall set out the aims, learning outcomes, structure, subjects of study, any fieldwork requirements and the assessment and re-assessment requirements of the programme. Details of the curriculum shall be provided in module specifications.
2. Candidates shall be considered eligible for admission to the two years of study leading to the degree of Master of Architecture provided that they have either:
 - a) graduated with the degree of Bachelor of Arts with Honours in Architecture at this University; or
 - b) successfully completed at least three years of full-time architectural study at an approved university or institution and have, in the opinion of the School of Architecture, reached a standard at least equivalent to that required to achieve the degree of Bachelor of Arts with Honours of this University;and have satisfied any other entry requirements, as set out in the programme specification.
3. The entire approved course of study for the BA and MArch degrees shall extend over not less than five years.
4. The Board of Examiners shall be empowered to take account of mitigating circumstances affecting students' performance in determining the conditions relating to re-assessments and their final degree results, in accordance with the provisions of the Code of Practice on Assessment and the Mitigating Circumstances Policy.

The Code of Practice on Assessment (including the Mitigating Circumstances Policy) can be found at: <https://www.liverpool.ac.uk/aqsd/academic-codes-of-practice/code-of-practice-on-assessment/>
