

ORDINANCE 51: Degree of Bachelor of Science in Animal Science

1. The degree of Bachelor of Science in Animal Science shall be conferred with or without Honours.
2. No student will be admitted directly onto the degree of Bachelor of Science in Animal Science. The degree shall be conferred as an exit award from the Bachelor of Veterinary Science programme.
3. The degree shall be awarded to students who have successfully completed Years 1, 2 and 3 of the Bachelor of Veterinary Science programme but who do not progress further on the programme, or who fail or withdraw in subsequent years. The criteria for the award of the degree, with and without Honours, shall be as specified in the programme specification for the Bachelor of Veterinary Science degree.
4. The Board of Examiners for the Bachelor of Veterinary Science shall be empowered to take account of extenuating circumstances affecting students' performance, in determining the classification of the Bachelor of Science in Animal Science degree awarded to individual students, in accordance with the provisions of the Code of Practice on Assessment and the Extenuating Circumstances Policy.
5. Students who are awarded the degree of Bachelor of Science in Animal Science may not normally proceed to the degree of Bachelor of Veterinary Science.
6. Students who are awarded the degree of Bachelor of Science in Animal Science may not use this degree to register with the Royal College of Veterinary Surgeons, nor use any professional title associated with the Bachelor of Veterinary Science programme.
