Part of the New Europe Series

About the Book
Democracy appears to have become a universal standard of legitimate rule in Europe today. But behind the façade are a number of unanswered questions, foremost among them how to relate democracy beyond the state especially at the EU level to democracy within the state. This important new text provides a wide-ranging assessment of the theory and practice of democracy at all levels in Europe today and explores what the European experience can contribute to a broader understanding of the relationship between democracy, globalization, peace and political community.

CONTENTS: Introduction - Democracy Within the State - Varieties of Democracy Within the State - Varieties of Democracy Beyond the State? The Case of the European Union - Promoting Democracy in the New Europe - Assessing Democracy in the New Europe - Challenges to Democracy in the New Europe - Democracy Within and Beyond the State: A Complementary Relationship

About the Authors
CHRISTOPHER LORD is Professor of Politics and International Relations, University of Reading, UK. He was previously Professor of European Politics, University of Leeds, UK.

ERIKA HARRIS is Lecturer in International Politics, University of Liverpool, UK

The New Europe
A major new series of concise overview state of the art texts designed to present the latest research on key aspects of contemporary Europe to a broad student and serious general interest readership. The series will be published in association with the 'One Europe or Several' ESRC programme of which Helen Wallace is Director - the largest such programme of research ever carried out - and will sit alongside a series of research books One Europe or Several to be published by the Academic Division.
