Physiotherapy—is it for you?

Why not spend a day at the University of Liverpool and find out more about Physiotherapy as a career? This event will provide information about clinical areas of work, career opportunities, course content, clinical placements and the application process. You can take part in practical workshops, trying out some of the skills you would learn as a student.

Date: Wednesday February 21st, 2018, 9-15am — 3.15pm
Cost £45

Programme Overview

- Practical Workshops exploring Core areas of practice – Musculoskeletal, Cardiorespiratory, Neurological Rehabilitation
- Clinical Experience. A Student’s perspective
- Is it for you? What to do next?

Venue
Directorate of Physiotherapy
Thompson Yates Building
The Quadrangle
Brownlow Hill
University of Liverpool
