- **Your Programme Timetable**

*Academic timetables will be available to students in Welcome Week and you will be shown how to access these when you arrive in Liverpool.*

- **Your Programme Handbook**

Programme handbooks will be available when you arrive in Liverpool and you will be shown where to access these during Welcome Week.

- **Your Academic Advisor**

*All students at the University of Liverpool will be assigned a named academic member of staff as their Academic Advisor. Their role is to develop a relationship with you; to provide information, advice and guidance on academic matters and to direct you to further sources of information on academic matters as well as the wide range of information, advice and guidance on non-academic matters available to students at Liverpool. You will meet with your academic advisor in Welcome Week on Tuesday 29<sup>th</sup> September 2020.*

- **Uniforms**

*Diagnostic Radiography students are asked to purchase the following:-*

- 1. A pair of white theatre shoes to be worn in clinical practice during interventional procedures. Details of suppliers and cost will be provided by clinical tutors during semester 1.*
- 2. A pair of black low heeled shoes for clinical practice in the main radiology department- please note trainers are not acceptable.*
- 3. A white laboratory coat may be required for anatomy and physiology practical sessions in Semester 2. (In Semester 1 these sessions will be delivered via an online format), this can be purchased from the University after arrival. Please do not purchase until advised by the anatomy module leaders. Further details will be given in the induction period.*

### **Core Skills**

*Completion of core skills is a mandatory requirement of attending placement. You will be required to complete these via an on-line platform and you will receive an email during the first few weeks of term giving you information on how to log on and access these. You are also required to attend and complete Basic Life Support Skills practical on **Tuesday 29<sup>th</sup> September 2020**. It is essential that you attend this session **AND** also complete the on line core skills or you will not be able to attend placement.*

### **Occupational Health Screening**

*You are required to complete an occupational health screening form and will receive an appointment for a 'virtual consultation' during the first few weeks of term if required. Again this is an essential requirement of attending hospital placement. You must attend a virtual appointment even if lectures are scheduled during that time.*

**DBS clearance** you must ensure that your DBS has been completed and sent off. If you have not received your DBS clearance you will **NOT** be able to attend placement

### **Hospital placements**

*You will be informed of your placement cluster allocation by Friday 16<sup>th</sup> October 2020 and placement information and placement handbooks will be given to you on 29<sup>th</sup> September 2020. These will be further discussed with you during timetabled sessions with the practice placement co-ordinator on 2<sup>nd</sup> November, and placement staff on 18<sup>th</sup> November 2020.*
