

Vision and Stroke patient public panel (ViSable)

Who are ViSable? Lay people who **advise** on:

- guidelines,
- practice,
- research proposals
- relevant documentation

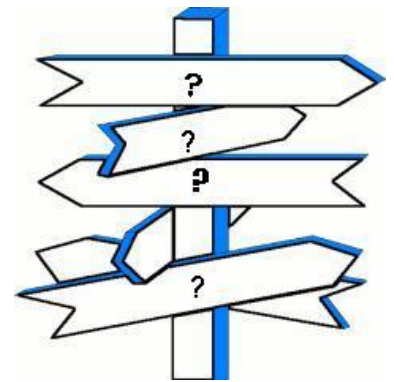

..... in relation to visual impairment following stroke.

We are stroke **survivors with visual impairment** and **carers** of stroke survivors.

What do we do? We provide:

- an **experience** base,
- a **sounding board** to support research activity
- a **voice** for stroke survivors and carers.

What is our purpose? We aim to:

- **Review** vision and stroke research **proposals**
- Generate research **ideas**
- Report **information and concerns** from stroke survivors and carers to relevant organisations.

When do we meet? 3 times per year.

Get involved

?? Interested. Please contact Prof Fiona Rowe
