

Sight Impairment Registration

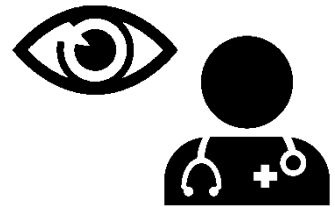

(Easy read version)

Two levels:

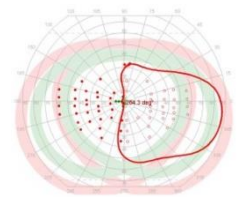

- Sight impaired
- Severely sight impaired

Form **must** be signed by a **consultant** eye doctor (ophthalmologist).

Based on what you can see on a **letter chart** and on a **visual field test**.

Anyone from the medical team can refer you.

The form will be sent to your local social services team.

They will contact you to work out what help and advice **best meets your needs**.
