Visual Impairment Activity Book 2

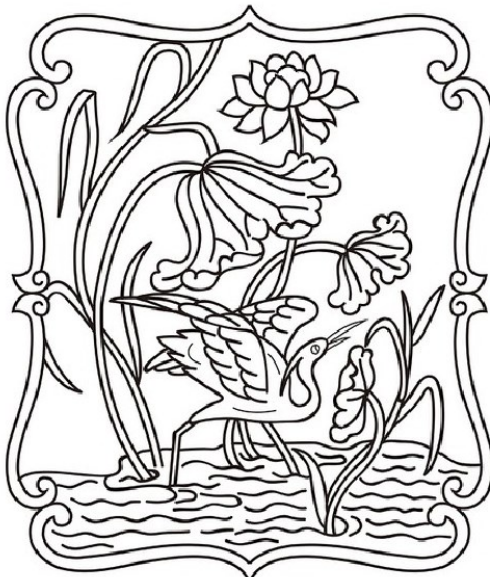

This booklet contains some scanning exercises as well as puzzles which will help you to practice scanning.

If you are finding particular puzzles difficult these are the ones that you need to practice more of.

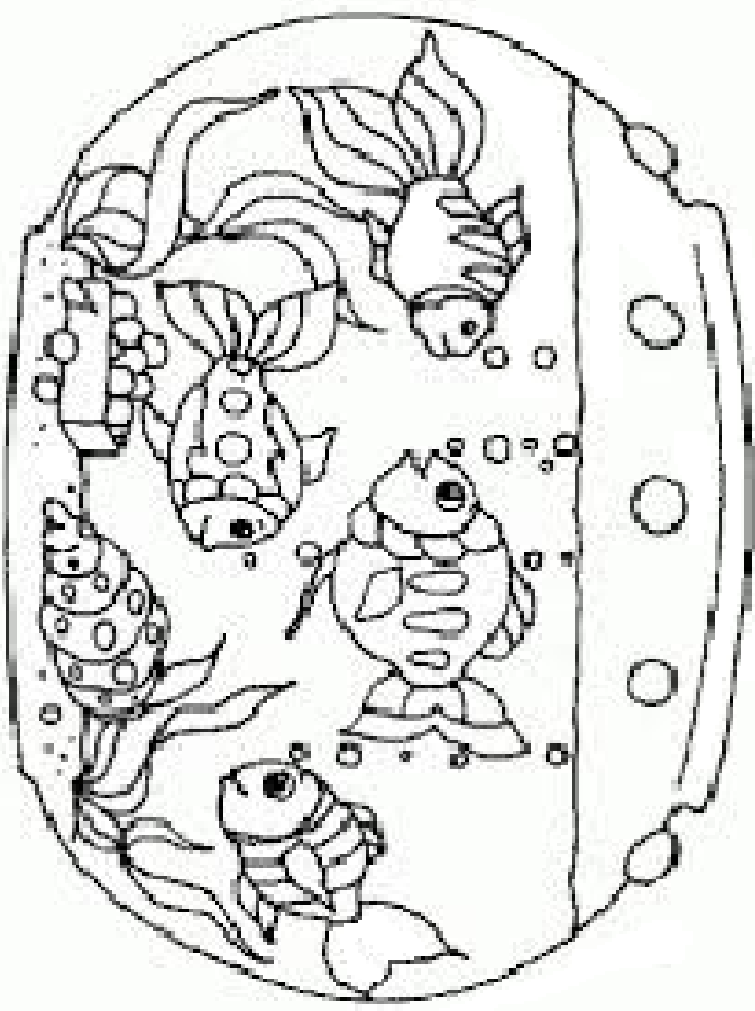

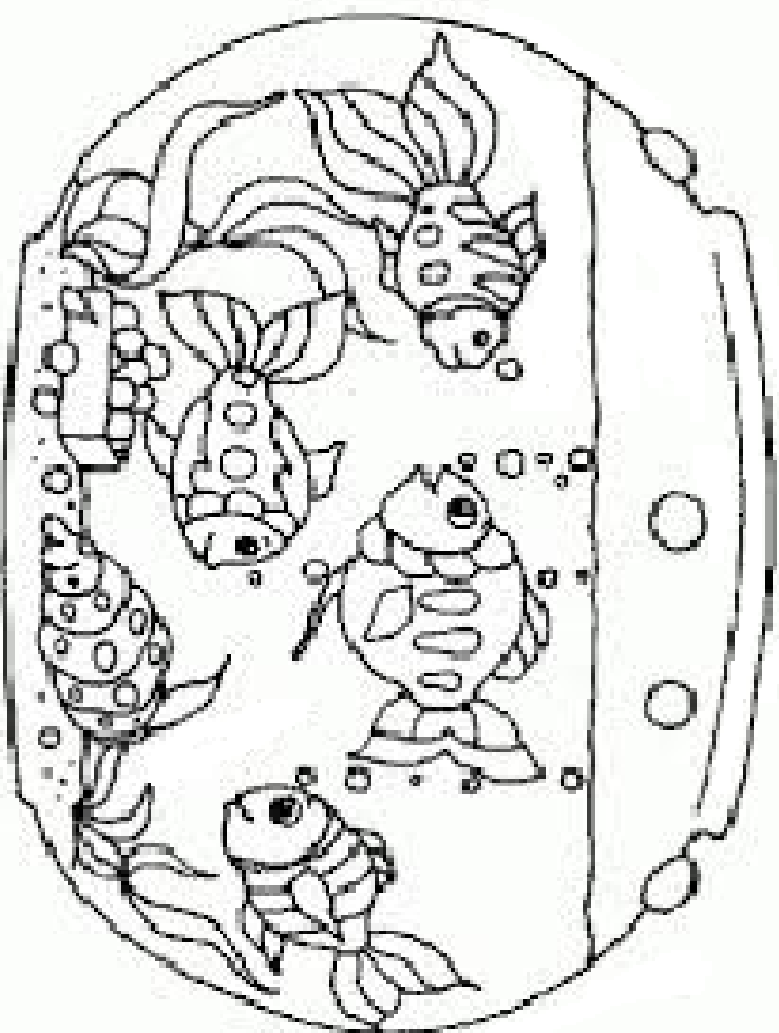

There are only one or two of each type of puzzle to help you decide which you like the most and which might be most useful for your rehabilitation.

What's Missing

There is one small detail missing in each picture. Can you spot all six?
