CRITICAL APPROACHES
TO INTERNATIONAL
CRIMINAL LAW UNIT

Gaza and International Law

Monday, 20 November 2023

15.30–17.00

Thompson Yates Building, Lecture Theatre

This Critical Approaches to International Criminal Law seminar will assess the role of international law in the war on Gaza also in the context of events in the West Bank and the law of occupation. It will examine the competing legal narratives and consider the capacity of international law to play a meaningful role in regulating the conflict.
