SAFETY SCREENING FORM FOR VISITORS with MRI scanner room access

This form must be filled out, signed and countersigned by an authorised member of MARIARC personnel before you enter the 'Controlled Area' (beyond the waiting room door).

You must NOT enter the Controlled Area if you have a pacemaker

You must NOT let anyone into the Controlled Area

You must answer the following by circling either Yes or No:

- Do you have a cardiac (heart) pacemaker?  
  Yes / No
- Might you be pregnant; or are you fitted with an IUD?  
  Yes / No
- Have you ever had any operations or vascular procedures where anything may have been implanted e.g. heart valve; artificial joints, plates or screws; stents, clips; eye or ear implant?  
  Yes / No
- Are you fitted with a neurostimulator, or infusion pump, or any protheses (e.g artificial limb)?  
  Yes / No
- Have you ever had any eye injury, metal fragments in your eye, or shrapnel/pellet injury?  
  Yes / No
- Do you have any other internal metal or (fixed) piercings?  
  Yes / No

If you have answered No to all of the above it is safe to enter MARIARC under appropriate supervision.

If you have answered Yes to any of the above, unless you have a pacemaker it is safe to enter MARIARC under appropriate supervision, but you must not enter a MRI scanning room unless approved and supervised by qualified MARIARC staff, and you must take the following precautions:

Do not enter the scanner rooms unsupervised or with any metal or magnet-sensitive objects, such as these:
