If you are a UK taxpayer, you can make every £1 you give worth 25p more. This is because the government's Gift Aid scheme allows charities like Ness Botanic Gardens to reclaim tax on donations.

Our Gift Aid admission price is the standard admission fee plus a small additional donation allowing us to claim back 25% of the whole amount from the government. The money we raise through Gift Aid helps us to maintain and develop our beautiful gardens for your enjoyment.

*Thank You for using Gift Aid.
We really appreciate your support.*
