In line with UK government policy regarding fee loan liability, payments will be made in the proportions and on the dates also specified in the table below. All payments will be made directly into the student's bank account through the SLC Bursary Administration Service (BAS).

| Payment | Eligibility Date  | (Attendance) | Payment Date     | Proportion |
|---------|-------------------|--------------|------------------|------------|
| 1       | 22 September 2025 |              | 21 November 2025 | 25%        |
| 2       | 5 January 2026    |              | 6 February 2026  | 25%        |

- 17.4) Where a student withdraws from a programme of study or suspends their study in any given academic year, they will not be confirmed as in attendance on the next eligibility date (if applicable) and hence will not be entitled to the receipt of scholarships or bursaries in the proportions listed against that eligibility date and, where applicable, subsequent eligibility dates within a given academic year.

**17.6) Programme Fee Waivers**

Where the scholarships or bursaries listed in these Regulations constitute the award of a programme fee waiver or reduction, or where a programme fee waiver or reduction is chosen where an option is provided, the waiver will be applied in its entirety to the annual programme fee in October of the given academic year. Where a student on an undergraduate programme

of study withdraws from their programme or suspends their study, the waiver applied to the programme fee will be adjusted in accordance with the table below.

| From              | To              | Proportion of Programme Fee Waiver Applied |
|-------------------|-----------------|--|
| 22 September 2025 | 19 October 2025 | 0%   |
| 20 October 2025   | 4 January 2026  | 25%  |

#### 17.7) **Debt to the University**

Where a student has an outstanding financial balance owing to the University 14 days prior to a due payment date of a scholarship or bursary, the relevant payment will initially be applied to the outstanding balance with any residue after settlement of the outstanding balance being paid to the student.
