LASER EYE INJURY CONTINGENCY PLAN

IN CASE OF EMERGENCY:
Try to calm the injured party, shock can set in very quickly. Arrange to go to St. Paul’s Eye Unit at the Royal Liverpool University Hospital as soon as possible. Identification of a laser injury is only possible within 24hrs of injury. St. Paul’s is on the ground floor of the hospital on Prescot Street (see Maps) just to the left of the main entrance.
Phone Contact for St. Paul’s 0151 706 3949/3953
