UNIVERSITY OF LIVERPOOL

Making an Impact 2019

13 May – 28 June

A flexible, diverse range of development opportunities to transform your skills, knowledge and expertise

Network and build relationships with colleagues from across industry and with staff from across all areas of the University.

Register for sessions at www.liverpool.ac.uk/researcher/making-impact
Brought to you by The Academy

MAI 2019 Programme Key

Making an Impact on Society	A. Research partnerships	**Key to participants who will benefit the most from individual sessions:**
Making an Impact on the Environment or Quality of Life	B. Working with business	PD: Post-doctoral Researchers
Making an Impact on Culture	C. Working with the public and third sector	ECR: Early Career Researchers
Making an Impact in Health	D. Skills, enterprise and entrepreneurship	MCR: Mid-Career Researchers (excluding PDs and ECRs)
Making an Impact on Public Policy or Services	E. Local growth and regeneration	ATR: Academic, Teaching and Research Staff
Making an Impact on the Economy	F. IP and commercialisation	RPS: Research-related Professional Services Staff
Making an Impact beyond Academia	G. Public and community engagement	PGR: Post-Graduate Researchers

NB: Use Ctrl+F or the 🔍 option on your phone to search this document for keywords related to your interests.

Title and Booking Link	Day	Time	Overview	Impact Clusters	Knowledge and Skill Axis	Who will benefit the most
Responsible Research and Innovation (RRI) - because you want your research to make a real difference	Mon 13 May	09:30-12:30	Learn how to bring your research into the open, anticipate consequences of your research outcomes and involve society more widely.	Making an Impact on Society Making an Impact on the Environment or Quality of Life Making an Impact on Culture Making an Impact in Health Making an Impact on Public Policy or Services Making an Impact on the Economy Making an Impact beyond Academia	A. Research partnerships B. Working with business C. Working with the public and third sector D. Skills, enterprise and entrepreneurship E. Local growth and regeneration F. IP and commercialisation G. Public and community engagement	PD; ECR; MCR; ATR; and anyone who wants to know about RRI
Conflict resolution in the research environment	Mon 13 May	13:30-16:30	Build skills to be more confident when faced with a potential conflict situations in the research environment.	Making an Impact on Society Making an Impact on the Environment or Quality of Life Making an Impact on Culture Making an Impact in Health	A. Research partnerships B. Working with business C. Working with the public and third sector D. Skills, enterprise and entrepreneurship G. Public and community engagement	PD; ECR; MCR; ATR; RPS; and anyone who would appreciate the opportunity to learn about conflict and having difficult conversations

Event	Day/Date	Time	Description	Impact Theme	Category	Audience
				Making an Impact on Public Policy or Services Making an Impact on the Economy Making an Impact beyond Academia		who in the past may have been put off by the thought of roleplay
Presenting to a Wider Audience	Tues 14 May	09:30-12:30	Practice delivery of a short presentation to those outside your research field.	Making an Impact beyond Academia	B. Working with business C. Working with the public and third sector G. Public and community engagement	PD; PGR
Getting Attention: Elevator Pitching	Wed 15 May 2019	10:30-11:30	Learn the principles of effectively presenting yourself to start conversations.	Making an Impact on Society Making an Impact on the Environment or Quality of Life Making an Impact on Culture Making an Impact in Health Making an Impact on Public Policy or Services Making an Impact on the Economy Making an Impact beyond Academia	A. Research partnerships B. Working with business C. Working with the public and third sector D. Skills, enterprise and entrepreneurship E. Local growth and regeneration F. IP and commercialisation G. Public and community engagement	PD; ECR; MCR; ATR; RPS
Managing Project Delivery	Wed 15 May	14:00-16:00	Recognise and avoid many of the common pitfalls of project delivery within HE-business collaborations	Making an Impact on Society Making an Impact on the Environment or Quality of Life Making an Impact on Culture Making an Impact in Health Making an Impact on Public Policy or Services Making an Impact on the Economy Making an Impact beyond Academia	A. Research partnerships B. Working with business C. Working with the public and third sector D. Skills, enterprise and entrepreneurship E. Local growth and regeneration F. IP and commercialisation G. Public and community engagement	PD; ATR; RPS
The Fall and Rise of the Country House	Fri 17 May	10:00-12:00	A public lecture for the University's Heritage Theme, delivered by Dr Ben Cowell, Director General of Historic Houses.	Making an Impact on Society Making an Impact on the Environment or Quality of Life Making an Impact on Culture Making an Impact in Health Making an Impact on Public Policy or Services Making an Impact on the Economy Making an Impact beyond Academia	A. Research partnerships E. Local growth and regeneration G. Public and community engagement	PD; ECR; MCR; ATR; RPS, PGR
Prof Louise Kenny's Impact Matters seminar series	Fri 17 May	12:30-14:00	Hear about the impact achieved from research carried out in the Faculty of Health and Life Sciences and how this has been achieved.	Making an Impact on the Environment or Quality of Life Making an Impact in Health Making an Impact beyond Academia	B. Working with business C. Working with the public and third sector	PD; ECR; MCR; ATR; RPS; PGR
Who's reading your research? Using Altmetric to track the reach and potential impact of your work	Fri 17 May	14:00-15:00	Track where your research is being discussed on the social web.	Making an Impact beyond Academia	G. Public and community engagement	PD; ECR; MCR; ATR; RPS
Creating Stories of Impact Part 1: Using your smartphone to create a short research video	Mon 20 May	10:00-16:00	Increase your impact beyond academia by developing your research web presence.	Making an Impact on Society Making an Impact on Culture Making an Impact beyond Academia	G. Public and community engagement	PD, ECR
Research Staff Association: Building career impact and networking	Tue 21 May	10:00-12:00	Hands-on experience in networking, build interdisciplinary collaborations and develop your innovative research ideas to create impact.	Making an Impact on the Environment or Quality of Life Making an Impact on Culture Making an Impact beyond Academia	A. Research partnerships D. Skills, enterprise and entrepreneurship G. Public and community engagement	PD; ECR; MCR
Tours of Sensor City: Inside a Global Innovation Hub	Tue 21 May	14:00-15:00	Discover what goes on behind the scenes at Sensor City and hear about the innovative work being undertaken with companies in the Liverpool City Region.	Making an Impact on Society Making an Impact on the Environment or Quality of Life	B. Working with business D. Skills, enterprise and entrepreneurship E. Local growth and regeneration	PD; ECR; MCR; ATR; RPS

				Making an Impact in Health Making an Impact on the Economy Making an Impact beyond Academia		
[Presenting to a Wider Audience](#)	Wed 22 May	09:30-12:30	Practice delivery of a short presentation to those outside your research field.	Making an Impact beyond Academia	B. Working with business C. Working with the public and third sector G. Public and community engagement	PD; PGR
[Research Café' special edition collaboration edition with LJMU](#)	Wed 22 May	14:30-16:30	An opportunity, particularly for early career researchers and PhD students to come together and share their research in an informal, safe environment.	Making an Impact on Society Making an Impact on the Environment or Quality of Life Making an Impact on Culture Making an Impact in Health Making an Impact on Public Policy or Services Making an Impact on the Economy Making an Impact beyond Academia	A. Research partnerships B. Working with business C. Working with the public and third sector D. Skills, enterprise and entrepreneurship	PD; ECR; MCR; RPS; PGR
[Masterclass: Winning Collaborative Innovate UK Bids](#)	Thu 23 May	10:30-12:30	A masterclass to equip you with an understanding of the requirements from funders (such as Innovate UK) in the development of successful collaborative funding bid proposals.	Making an Impact on Public Policy or Services Making an Impact on the Economy Making an Impact beyond Academia	A. Research partnerships B. Working with business C. Working with the public and third sector D. Skills, enterprise and entrepreneurship E. Local growth and regeneration F. IP and commercialisation G. Public and community engagement	ECR; MCR; ATR; RPS
[How my PhD led me to become a Subject Matter Expert](#)	Thu 23 May	14:00-15:00	Hear from UoL PhD Alumnus Dr Roy Grafton about how to become a subject matter expert at a technical consultancy.	Making an Impact on Society Making an Impact on Public Policy or Services Making an Impact on the Economy Making an Impact beyond Academia	A. Research partnerships B. Working with business C. Working with the public and third sector D. Skills, enterprise and entrepreneurship	PD; ECR; MCR; ATR; RPS; PGR
[How Can Elements Help you Capture and Track your Research Impact Activities?](#)	Fri 24 May	11:30-12:30	Learn how to create an on-going record of impact and related evidence as it happens.	Making an Impact on Society Making an Impact on the Environment or Quality of Life Making an Impact on Culture Making an Impact in Health Making an Impact on Public Policy or Services Making an Impact on the Economy Making an Impact beyond Academia	A. Research partnerships B. Working with business C. Working with the public and third sector D. Skills, enterprise and entrepreneurship E. Local growth and regeneration F. IP and commercialisation G. Public and community engagement	PD; ECR; MCR; ATR; RPS
[Innovation, Collaboration and Business Insights](#)	Tue 28 May	09:30-12:30	Explore a range of tools that you can use to assess your own business idea, and learn business fundamentals and university entrepreneurship, including aspects of the commercialisation process.	Making an Impact on the Economy Making an Impact beyond Academia	B. Working with business D. Skills, enterprise and entrepreneurship F. IP and commercialisation	PD; ECR;
[Attracting your own funding](#)	Tue 28 May	13:30-16:30	Learn how to demonstrate that you can propose innovative projects that attract research funding	Making an Impact on Society Making an Impact in Health Making an Impact on Public Policy or Services Making an Impact beyond Academia	A. Research partnerships B. Working with business C. Working with the public and third sector D. Skills, enterprise and entrepreneurship E. Local growth and regeneration F. IP and commercialisation G. Public and community engagement	PD, ECR

Title	Date	Time	Description	Impact themes	Engagement areas	Audience
Boosting the impact of your publications	Wed 29 May	09:30-12:30	Build your own publication and communication strategy to enhance the impact of your research and raise your profile.	Making an Impact beyond Academia	G. Public and community engagement	PD, ECR
Social media bootcamp	Wed 29 May	13:30-16:30	Design an individual social media strategy and explore legal considerations, privacy and openness.	Making an Impact in Health Making an Impact beyond Academia	D. Skills, enterprise and entrepreneurship G. Public and community engagement	PD, ECR
Flight Simulation Tour: Looking to the future	Thu 30 May	11:00-12:00	Tour the flight simulation laboratories to see how flight simulation is used in wide range of aerospace applications to design and develop new concepts and also help reduce risk and costs of getting aircraft into service.	Making an Impact on the Economy Making an Impact beyond Academia	A. Research partnerships B. Working with business	PD; ECR; MCR; ATR; RPS;
Creating Stories of Impact: 1:1 Surgeries	Mon 10 June	13:30-16:30	Get expert advice about your 'Story of Impact' research video with a 30 minute consultation session.	Making an Impact on Society Making an Impact on Culture Making an Impact beyond Academia	G. Public and community engagement	PD, ECR
Prof Louise Kenny's Impact Matters seminar series	Fri 31 May	12:30-14:00	Hear about the impact achieved from research carried out in the Faculty of Health and Life Sciences and how this has been achieved.	Making an Impact on Society Making an Impact on the Environment or Quality of Life Making an Impact on Culture Making an Impact in Health Making an Impact on Public Policy or Services Making an Impact on the Economy Making an Impact beyond Academia	A. Research partnerships B. Working with business C. Working with the public and third sector D. Skills, enterprise and entrepreneurship E. Local growth and regeneration F. IP and commercialisation G. Public and community engagement	PD; ECR; MCR; ATR; RPS; PGR
Tours of Sensor City: Inside a Global Innovation Hub	Fri 31 May	14:00-15:00	Discover what goes on behind the scenes at Sensor City and hear about the innovative work being undertaken with companies in the Liverpool City Region.	Making an Impact on Society Making an Impact on the Environment or Quality of Life Making an Impact in Health Making an Impact on the Economy Making an Impact beyond Academia	B. Working with business D. Skills, enterprise and entrepreneurship E. Local growth and regeneration	PD; ECR; MCR; ATR; RPS
Peer Review: What really happens?	Mon 3 June	10:30-11:30	This workshop will be useful to researchers who must submit their work for peer review and for those tasked with its assessment.	Making an Impact on Society Making an Impact on the Environment or Quality of Life Making an Impact on Culture Making an Impact beyond Academia	A. Research partnerships	PD; ECR; ATR
Tour of the University of Liverpool Formula Motorsport Facilities	Mon 3 June	14:00-15:00	See and learn about the activity involved in preparing a working a single seat racing car for the Formula Student UK event in July.	Making an Impact on Culture Making an Impact beyond Academia	B. Working with business C. Working with the public and third sector D. Skills, enterprise and entrepreneurship G. Public and community engagement	PD; ECR; MCR; ATR; RPS;
Making meaningful impact with your research	Tue 4 June	10:00-14:00	Design and plan an achievable project for making meaningful impact with your research.	Making an Impact on Society Making an Impact on Culture Making an Impact on Public Policy or Services Making an Impact on the Economy Making an Impact beyond Academia	A. Research partnerships B. Working with business C. Working with the public and third sector D. Skills, enterprise and entrepreneurship G. Public and community engagement	PD; ECR
Making the headlines: An introduction to engaging with the media	Tue 4 June	14:00-15:30	Explore how using the media to highlight your work and the impact of your research can help inform the public, add evidence to a debate, raise your profile and much, much more.	Making an Impact beyond Academia	G. Public and community engagement	PD; ECR; MCR; ATR; RPS; PGR
Real World Impact: What does making an impact on culture, heritage and society look like?	Wed 5 June	11:00-12:00	Engage in discussions around the research impact agenda in relation to culture, heritage and society.	Making an Impact on the Environment or Quality of Life Making an Impact in Health Making an Impact on Public Policy or Services	C. Working with the public and third sector	PD; ECR; MCR; ATR; RPS; PGR

				Making an Impact beyond Academia		
[Culture Club – Exploring New Cultural Collaborations with National Museums Liverpool](#)	Wed 5 June	12:00-13:00	Explore opportunities to work together with National Museums Liverpool to increase the potential for research impact.	Making an Impact on Society Making an Impact on the Environment or Quality of Life Making an Impact on Culture Making an Impact in Health Making an Impact on Public Policy or Services Making an Impact on the Economy Making an Impact beyond Academia	A. Research partnerships B. Working with business C. Working with the public and third sector D. Skills, enterprise and entrepreneurship E. Local growth and regeneration F. IP and commercialisation G. Public and community engagement	PD; ECR; MCR; ATR; RPS; PGR
[Walking down the pathway to impact with everything in hand: developing your communications strategy](#)	Thu 6 June	10:00-12:00	Explore tools and resources that will enable you to answer questions about what do we communicate, to whom, when, through which channels and with what means.	Making an Impact on Society Making an Impact on the Environment or Quality of Life Making an Impact on Culture Making an Impact in Health Making an Impact on Public Policy or Services Making an Impact on the Economy Making an Impact beyond Academia	A. Research partnerships B. Working with business C. Working with the public and third sector F. IP and commercialisation G. Public and community engagement	PD; ECR; MCR; ATR; RPS; PGR
[Open Research - what does it mean and what's it all about?](#)	Thurs 6 June	14:00-15:00	Learn ways you can contribute to a more open research environment, and find out why it matters to the EU, to the Wellcome Trust, UKRI and others.	Making an Impact on Society Making an Impact on the Environment or Quality of Life Making an Impact on Culture Making an Impact in Health Making an Impact on Public Policy or Services Making an Impact on the Economy Making an Impact beyond Academia	A. Research partnerships B. Working with business C. Working with the public and third sector D. Skills, enterprise and entrepreneurship G. Public and community engagement	PD; ECR; MCR; ATR; RPS
[Maximizing and Demonstrating the Impact of Your Research](#)	Fri 7 June	09:30-12:30	Consider how research impact (both scholarly and socio-economic) can be maximised and evidenced.	Making an Impact on Society Making an Impact on the Environment or Quality of Life Making an Impact on Culture Making an Impact in Health Making an Impact on Public Policy or Services Making an Impact on the Economy Making an Impact beyond Academia	Research partnerships B. Working with business C. Working with the public and third sector D. Skills, enterprise and entrepreneurship	PD; ECR; RPS;
[Stand Out From the Crowd - Maximizing Your Personal Impact and Reputation](#)	Fri 7 June	13:30-16:30	Explore simple techniques to help you to acceptably promote yourself and so build your personal impact and reputation.	Making an Impact on Society Making an Impact on the Environment or Quality of Life Making an Impact on Culture Making an Impact in Health Making an Impact on Public Policy or Services Making an Impact on the Economy Making an Impact beyond Academia	Research partnerships B. Working with business C. Working with the public and third sector D. Skills, enterprise and entrepreneurship	PD; ECR; RPS;
[Maximising Impact](#)	Mon 10 June	10.30-11.30	Hear how Universities can and should use their civic roles to go beyond measuring their own impact to seriously improve and account for the generation of Social Value.	Making an Impact on Society Making an Impact on the Environment or Quality of Life	C. Working with the public and third sector E. Local growth and regeneration G. Public and community engagement	PD; ECR; MCR; ATR; RPS; PGR
[Creating Stories of Impact: 1:1 Surgeries](#)	Mon 10 June	13:30-16:30	Get expert advice about your 'Story of Impact' research video with a 30 minute consultation session.	Making an Impact on Society Making an Impact on Culture Making an Impact beyond Academia	G. Public and community engagement	PD, ECR

Title	Date	Time	Description	Impact type	Category	Audience
Developing a Commercial Proposal	Wed 12 June	10:30-12:30	Understand what makes a compelling proposal for an investor or a customer.	Making an Impact on Society Making an Impact on the Environment or Quality of Life Making an Impact on Culture Making an Impact in Health Making an Impact on Public Policy or Services Making an Impact on the Economy Making an Impact beyond Academia	A. Research partnerships B. Working with business C. Working with the public and third sector D. Skills, enterprise and entrepreneurship E. Local growth and regeneration F. IP and commercialisation G. Public and community engagement	PD; MCR; ATR; RPS
Pitching Your Project	Wed 12 June	14:00-16:00	Explore the techniques for compellingly presenting a range of knowledge exchange projects to win support.	Making an Impact on Society Making an Impact on the Environment or Quality of Life Making an Impact on Culture Making an Impact in Health Making an Impact on Public Policy or Services Making an Impact on the Economy Making an Impact beyond Academia	A. Research partnerships B. Working with business C. Working with the public and third sector D. Skills, enterprise and entrepreneurship E. Local growth and regeneration F. IP and commercialisation G. Public and community engagement	PD; ATR; RPS
Negotiating Your Way to Success	Thu 13 June	09:30-12:30	Prepare for future negotiations and commit to achieving win-win results that lead to positive long-term relationships.	Making an Impact on Society Making an Impact on the Environment or Quality of Life Making an Impact on Culture Making an Impact in Health Making an Impact on Public Policy or Services Making an Impact on the Economy Making an Impact beyond Academia	A. Research partnerships B. Working with business C. Working with the public and third sector D. Skills, enterprise and entrepreneurship E. Local growth and regeneration F. IP and commercialisation G. Public and community engagement	PD; ATR; RPS
Getting Attention: Elevator Pitching	Thu 13 Jun 2019	14:00-15:00	Learn the principles of effectively presenting yourself to start conversations.	Making an Impact on Society Making an Impact on the Environment or Quality of Life Making an Impact on Culture Making an Impact in Health Making an Impact on Public Policy or Services Making an Impact on the Economy Making an Impact beyond Academia	A. Research partnerships B. Working with business C. Working with the public and third sector D. Skills, enterprise and entrepreneurship E. Local growth and regeneration F. IP and commercialisation G. Public and community engagement	PD; ECR; MCR; ATR; RPS
Creating Stories of Impact Part 2: Editing your Research Video	Fri 14 June	09:30-12:30	Increase your impact beyond academia by developing your research web presence.	Making an Impact on Society Making an Impact on Culture Making an Impact beyond Academia	G. Public and community engagement	PD, ECR
Prof Louise Kenny's Impact Matters seminar series	Fri 14 June	12:30-14:00	Hear about the impact achieved from research carried out in the Faculty of Health and Life Sciences and how this has been achieved.	Making an Impact on Society Making an Impact on the Environment or Quality of Life Making an Impact in Health Making an Impact on Public Policy or Services Making an Impact beyond Academia	C. Working with the public and third sector	PD; ECR; MCR; ATR; RPS; PGR
Blogging for Research	Fri 14 June	13:30-16:30	Increase your research impact by drawing attention to your work online for audiences beyond your own field and academia.	Making an Impact on Society Making an Impact on Culture Making an Impact beyond Academia	G. Public and community engagement	PD, ECR
Science Entrepreneur Experience	Mon 17 – Wed 19 June	09:30-16:30	A 3 day business and impact development boot camp that will give you the time and space to work through a live project in a dynamic environment.	Making an Impact on the Economy Making an Impact beyond Academia	B. Working with business D. Skills, enterprise and entrepreneurship F. IP and commercialisation	PD; ECR; MCR; ATR; PGR

Session	Day	Time	Description	Impact themes	Categories	Audience
Tour of The Materials Innovation Factory	Mon 17 June	12:00-13:00	Explore the MIF: a diverse mix of industrial and university based researchers at all stages of their career working together in a purpose built facility.	Making an Impact on the Environment or Quality of Life Making an Impact on the Economy Making an Impact beyond Academia	A. Research partnerships B. Working with business D. Skills, enterprise and entrepreneurship E. Local growth and regeneration	PD; ECR; MCR; ATR; RPS
What is FAIR data? Can it help with Impact?	Mon 17 June	14:00-15:00	Knowing what FAIR data means, will help you share data and increase the likelihood of someone looking at what you have done.	Making an Impact on Society Making an Impact on the Environment or Quality of Life Making an Impact in Health Making an Impact on Public Policy or Services Making an Impact on the Economy Making an Impact beyond Academia	A. Research partnerships B. Working with business C. Working with the public and third sector G. Public and community engagement	PD; ECR; MCR; RPS
All you ever wanted to know about Knowledge Exchange and Innovation vouchers but were afraid to ask	Tue 18 June	10:30-11:30	Learn about funding opportunities for Knowledge Exchange and Public Engagement activities.	Making an Impact on Society Making an Impact on Culture Making an Impact in Health Making an Impact on Public Policy or Services Making an Impact on the Economy Making an Impact beyond Academia	A. Research partnerships B. Working with business C. Working with the public and third sector D. Skills, enterprise and entrepreneurship E. Local growth and regeneration F. IP and commercialisation G. Public and community engagement	ECR; MCR;
Tour of The Materials Innovation Factory	Wed 19 June	10:30-11:30	Explore the MIF: a diverse mix of industrial and university based researchers at all stages of their career working together in a purpose built facility.	Making an Impact on the Environment or Quality of Life Making an Impact on the Economy Making an Impact beyond Academia	A. Research partnerships B. Working with business D. Skills, enterprise and entrepreneurship E. Local growth and regeneration	PD; ECR; MCR; ATR; RPS
Reacting to the News: Using your knowledge to gain media coverage	Thu 20 June	10:30-11:30	Learn about the items broadcasters are interested in; the process of gaining coverage through reacting to the news and some of the exciting impact it can generate.	Making an Impact on Society Making an Impact on the Environment or Quality of Life Making an Impact on Culture Making an Impact in Health Making an Impact on Public Policy or Services Making an Impact on the Economy Making an Impact beyond Academia	G. Public and community engagement	PD; ECR; MCR; ATR; RPS; PGR
Raising your research profile by writing for The Conversation	Thu 20 June	14:00-15:30	Hear from the Editors about what `The Conversation' is; the writing process and the benefits and impacts of writing for `The Conversation'; talk through any specific ideas you may have for writing.	Making an Impact on Society Making an Impact beyond Academia	G. Public and community engagement	PD; ECR; MCR; ATR; PGR
Masterclass: Winning Collaborative Innovate UK Bids	Fri 21 June	10:00-12:00	A masterclass to equip you with an understanding of the requirements from funders (such as Innovate UK) in the development of successful collaborative funding bid proposals.	Making an Impact on Public Policy or Services Making an Impact on the Economy Making an Impact beyond Academia	A. Research partnerships B. Working with business C. Working with the public and third sector D. Skills, enterprise and entrepreneurship E. Local growth and regeneration F. IP and commercialisation G. Public and community engagement	ECR; MCR; ATR; RPS
Tour of the University of Liverpool Formula Motorsport Facilities	Mon 24 June	10:00-11:00	See and learn about the activity involved in preparing a working a single seat racing car for the Formula Student UK event in July.	Making an Impact on Culture Making an Impact beyond Academia	B. Working with business C. Working with the public and third sector D. Skills, enterprise and entrepreneurship G. Public and community engagement	PD; ECR; MCR; ATR; RPS;
Controversial research: working with the Science Media Centre	Mon 24 June	14:00-15:30	This session is especially aimed at researchers working in areas that are controversial and receive a lot of media coverage.	Making an Impact beyond Academia	G. Public and community engagement	PD; ECR; MCR; ATR; RPS; PGR

Session	Date	Time	Description	Impact Type	Category	Audience
Making an impact by engaging with policy makers	Wed 26 June	10:30-11:30	Learn how to bring your work to the attention of policy makers; and how to identify common ground with key political stakeholders.	Making an Impact on Public Policy or Services	G. Public and community engagement	PD; ECR; MCR; ATR; PGR
Empowering Women in STEM: an honest account from a #newPI	Wed 26 June	14:00-16:00	An honest account of an early career researcher's progress to an independent PI,	Making an Impact on Society Making an Impact on the Environment or Quality of Life	D. Skills, enterprise and entrepreneurship	PD; ECR; MCR; ATR; RPS; Anybody interested in women in science or E&D more broadly
First-class Fellowship: How to Make Your Fellowship Proposal Stand Out from the Crowd	Thu 27 June	10:30-11:30	Bring along a copy of your CV to an interactive workshop to help you to cut through the guidance and critically reflect on the broader leadership skills you need to make a successful application with real-world impact.	Making an Impact on Society Making an Impact on the Environment or Quality of Life Making an Impact on Culture Making an Impact in Health Making an Impact on Public Policy or Services Making an Impact on the Economy Making an Impact beyond Academia	A. Research partnerships B. Working with business C. Working with the public and third sector D. Skills, enterprise and entrepreneurship E. Local growth and regeneration F. IP and commercialisation G. Public and community engagement	PD; ECR;
Flight Simulation Tour: Looking to the future	Thu 27 June	14:00-15:00	Tour the flight simulation laboratories to see how flight simulation is used in wide range of aerospace applications to design and develop new concepts and also help reduce risk and costs of getting aircraft into service.	Making an Impact on the Economy Making an Impact beyond Academia	A. Research partnerships B. Working with business	PD; ECR; MCR; ATR; RPS;
Impact Acceleration Showcase	Fri 28 June	11:00-13:00	Explore some highlight projects, and learn some tips on applications and showcase IAA prototypes over lunch.	Making an Impact on the Environment or Quality of Life Making an Impact on Culture Making an Impact in Health Making an Impact on the Economy Making an Impact beyond Academia	A. Research partnerships B. Working with business D. Skills, enterprise and entrepreneurship F. IP and commercialisation	PD; ECR; MCR; ATR; RPS;
