Playlist
A special Making an Impact 2021 playlist of motivational songs has been created which can be accessed here.

Development resources
Additional Making an Impact 2021 development resources that can be explored at any time outside of normal session times can be found here.

Podcasts
Making an Impact 2021 Podcasts will be available here.

Framework
Elements of the Making an Impact 2021 Framework that are relevant to each activity are indicated within the programme. From this you can build a tailored experience of Making an Impact 2021 based on your own research impact needs, ambitions and interests.

Programme and networking
Further details regarding the Making an Impact programme and networking opportunities is available here.

Competitions, Recognition and Value opportunities
Information about Making an Impact 2021 Competitions, Recognition and Value opportunities are available here:

Researcher Development RoadMap
The Researcher Development Roadmap has been designed to help researchers navigate the wealth of online content now available to support career development and progression. It is intended to simplify access to topics, materials and resources linked to key development themes and available in a range of accessible formats.

The Academy
The Academy promotes and enables every researcher to access high-quality development opportunities in leadership and management, research, education and professional practice. We work with partners across the University of Liverpool and beyond to achieve the highest standards of excellence. Find out more here.

Teams Channel
A Teams channel has been set up as a social space for you to network and chat informally throughout the whole of Making an Impact 2021 and will be available here.

Register for sessions on The Academy’s website:
