

TOP 5 TIPS

Network your way to success

ATTEND EVENTS

There are so many virtual events going on, so make the most of them, you may meet someone you never expected to.

BE BRAVE

If no one is speaking, be the one to step up and start the conversation. It can be nerve-wrecking but if you're respectful and interested, you can't go far wrong!

USE TWITTER

Follow people and use relevant #s to engage with a wider audience, and don't be afraid to @ people directly to connect!

ASK QUESTIONS

Ask questions in person or online (over email or social media). Most people will appreciate you showing an interest in their work.

FOLLOW UP

If you've met someone at a conference, follow up with an email thanking them for the talk. It'll give you a basis for future conversations!
