

UK FLUIDS 2025 LIVERPOOL

ECR Session: Careers in Fluid Dynamics (Tuesday 2nd September) - GFLEX

This session will consist of careers talks from members of the UK Fluid Dynamics community, in industry and academia. The speakers will discuss their current roles and previous experiences, offering observations and advice. Refreshments will be provided, and there will be the opportunity for questions and discussion.

Schedule (each talk 15 minutes + 5 for questions):

17:30-17:40 Arrival and refreshments

17:40-18:00 Guneet Hawley, Computational Fluid Dynamics Specialist, Arup

18:00-18:20 Thomas John, Thermofluids Engineer, Rolls-Royce

18:20-18:40 Edwina Yeo, EPSRC National Fellow in Fluid Dynamics, UCL

18:40-19:30 Drinks reception

Organisers: Dr. Edwina Yeo and Dr. Jesse Taylor-West
