Director of Education Welcome – Earth, Ocean & Ecological Sciences and Planning

The School's Director of Education, Dr Mark Green, will talk about the key University Systems and Processes which you will need to be aware of, whilst undertaking your studies. This will include information on our student support, assessed coursework, digital platforms, and School policies.

Location: Lecture Theatre 2, Sherrington Building (Building No. 311, Grid Ref. D10 on [campus map](#))

Attendance compulsory

13.00-14.00

Herdman Society – Drop in session

The Herdman Society provides a supportive environment for all students interested in geosciences and runs activities throughout the year. This drop-in activity is a chance for you to meet the committee and learn more about the society and what they do.

Location: Zoom – [click here](#) to join (Meeting ID: 988 1273 8969/Passcode: n1*07Hr*)

For more information contact: herdman@society.liverpoolguild.org

Friday 24th September

09.00-13.00

Earth Sciences Field Activity

Field excursion to West Kirby.

Location: West Kirby (Further details will be given during the Meet Your Programme Director sessions on Monday 20th September)

Equipment: You will need waterproof clothing and suitable footwear; preferably walking boots.

Attendance compulsory

University-Wide Events

There are a number of Welcome Week sessions taking place around campus that you are welcome to attend. The events and activities on offer aim to provide you with a foundation to ensure you gain maximum benefit from your time at Liverpool. Other events and activities are designed to introduce you to University life and to help you to get to know the campus. Attendance at these events is voluntary.

You can find details of all [University Welcome events here](#).

Please be aware that attendance at Departmental events (listed above) is mandatory, so before attending University-Wide events, please ensure that you are not expected to be at a session hosted by your School.
