GEOGRAPHY

Friday 19th September

09:00–16:00

Liverpool: Explore, Create, Connect!

Join us for a fun and interactive day designed to help you get to know your fellow students and the vibrant city of Liverpool. The morning will include a welcome from programme staff and some informal activities to break the ice. You'll then head out in small groups for just over an hour to explore the city and capture what stands out to you. After lunch (pizza!), you'll work in groups on a creative challenge that reflects your impressions of the city – with a few surprises along the way. Expect some good conversation, some unexpected materials, and a bit of friendly competition!

Attendance: Compulsory

Meeting Point:

Central Teaching
Laboratories, Lab 5
Building No: 802, Ref:
F6 on [campus map](#)
