SHAPE YOUR DESTINY

The meditation of the heart
motivates the mind
seek deep within yourself
explore and find
your purpose in life
with all of it's meanings
opportunities will come
can you feel the feeling?

You can move mountains at will
but you have to have that intention
from the tree of life
pluck the fruit of inspiration
have faith in yourself
is what I believe
stand firm speak up
and you will achieve.

People have ideas
on life should be
so when you travel life's road
move carefully
fulfil your ambitions
what ever they are
with the right attitude
you will go far
Believe you can achieve
as time passes by
find your space on this earth
and then rise high
the right state of mind

will obtain your goal
express yourself
mind, body and soul.

***Opportunities Arise, Whats Your Vocation?
Inspiration Motivation And A Little Dedication.

Inspiration Motivation And A Little Dedication.***

Flowing through your mind
embedded in your head
are pictures that are painted
when words are being said
translate the images
then make your decision
put them into perspective
and make a contribution
This life is to be cherished
if but for one day
because were there is a will
there is always a way
so take the tools of life
to shape your destiny

ONE LIFE, ONE AIM, ONE OPPORTUNITY.
