Applicants applying to this route are not eligible to apply to the standard A100 programme.

- UK experience of at least one year OMFS inpatient experience plus one other relevant year in dental postgraduate training (that may also be OMFS)

- Trajectory/career progression; e.g. post graduate exams passed in minimum (appropriate) time frame.
- Prizes, Honours, Distinctions at BDS

Please note:

- Applicants **must** read our A101 Departmental Supplement to the Admissions Policy. Applications made through UCAS in the normal way. An **additional on-line form** will need to be completed by applicants applying to the OMFS route. Please refer to www.liverpool.ac.uk/medicine/study-with-us/undergraduate/admissions-information/ for details.
- The above indicative criteria are the usual **minimum** required. Invitation to interview is highly competitive and both academic and non-academic criteria inform the selection process. Because of the competition, meeting minimum academic and non-academic requirements does not guarantee that you will receive an offer of an interview. No candidate will be made an offer without interview. The medical school reserves the right to vary offer conditions depending on a candidate's application.
- If an applicant fails to achieve a place on the A101 programme they may only make one further consecutive application to the programme.
