

CHECKLIST

Congratulations! You have successfully gained your place to study Psychology with us.

Below are important first steps...

- Follow the instructions sent by Student Administration to register and set-up your University account.
Visit <https://www.liverpool.ac.uk/it/quickstart/> for guidance
- Take time to familiarise with the department and central University web pages
- Upload your ID Card image by 8th September, to receive your ID Card before the start of term
- Download the My Liverpool App and the Timetabling app

From 18 September...

- Confirm your engagement on campus - full details at <https://www.liverpool.ac.uk/student-administration/registering-for-my-programme/new-student/>
- Attend your Welcome sessions (check the Welcome Weeks schedule page, and the My Liverpool App)
- Get to know where the Eleanor Rathbone Building (ERB) is, and how to get there
- Collect your ID card from the ERB from Tuesday 19th September (your card will be available providing you upload your image by the 8th September - if you are residing in University Halls, your card will be delivered there)
- Familiarise with key contacts, email addresses and know who to get in touch with if you require any help or support

Get ready for teaching week one...

- Check your timetable and use the campus map to find your lectures and classes
- Log into CANVAS and read the lecture notes for each module
- Enjoy your first week!
