

Your Voice Matters

YOU SAID

WE DID

STUDENT

Assessment methods lack variety; most modules are assessed in the same way.

STAFF

Philosophy now uses more than ten different types of assessment components.

We want our participation in discussion to be rewarded.

Seminar discussion is now an assessment component in several Philosophy modules.

Different Departments have different Reading Weeks, which can be counter-productive for students on Combined Degrees.

We have reassigned Philosophy's Reading Weeks, so as to coincide with those of most other Departments.
