

## SCHEDULE OF FEES 2018-19

### 1. PROGRAMME FEES

The fees for programmes of study prescribed in section 1 are consolidated to include the appropriate sessional charge for tuition, registration, examination and graduation. Unless otherwise indicated, the programme fees do not cover the cost of field trips, sundries or consumables (e.g. research support fees) which may be payable separately, as appropriate.

All programme fees are payable sessionally in advance, or as prescribed in the 2017-18 Payment Policy. Where a student, for whatever reason, leaves their programme during the session, the University will re-calculate the amount of fee to be charged, based upon the date the University is formally informed of the change in registration, in accordance with the 2017-18 Payment Policy. In such an event, a student will have no claim to a refund of fees charged for the period they were registered during that session.
