18.1) Eligibility and Payments

In accordance with the relevant sections of the bursaries, awards or scholarships listed in Section 1.6, a) through to g), cash bursary payments for academic year 2014/15 will be made in three disbursements and only following positive confirmation of attendance on each of the dates specified in the table below. In line with UK government policy regarding fee loan liability,

payments will be made in the proportions and on the dates also specified in the table below. All payments will be made directly into the student's bank account through the SLC Higher Education Bursary and Scholarships Scheme (HEBSS).

Payment	Eligibility (Attendance) Date	Payment Date	Proportion
1	29 September 2014	5 December 2014	25%
2	12 January 2015	13 February 2015	25%

- 18.2) Where a payment is erroneously made to a student due to failures in the HEBSS or University systems, the University will require the return of the payment.
- 18.3) Where a scholarship or bursary is dependent on household income and, as a result of a change in income or a reassessment of the income, the student ceases to be entitled or has their entitlement to the scholarship or bursary reduced, they will be required to return the applicable payments already made.
- 18.4) Where a student withdraws from a programme of study or suspends their study in any given academic year, they will not be confirmed as in attendance on the next eligibility date (if applicable) and hence will not be entitled to the receipt of scholarships or bursaries in the proportions listed against that eligibility date and, where applicable, subsequent eligibility dates within a given academic year.
- 18.5) Students who withdraw from a programme of study or suspend their studies within the first four weeks of any given academic year will not be entitled to any of the bursaries, awards or scholarships prescribed in these Regulations for that academic year.
- 18.6) **Programme Fee Waivers**

Where the scholarships or bursaries listed in these Regulations constitute the award of a programme fee waiver or reduction, or where a programme fee waiver or reduction is chosen where an option is provided, the waiver will be applied in its entirety to the annual programme fee in October of the given academic year. Where a student on an undergraduate programme of study withdraws from their programme or suspends their study, the waiver applied to the programme fee will be adjusted in accordance with the table below.

From	To	Proportion of Tuition Fee Waiver Applied
