

## REGULATIONS FOR UNDERGRADUATE SCHOLARSHIPS AND BURSARIES

ACADEMIC YEAR 2009-10

### 1) Scope of the Regulations

- 1.1) These regulations apply to students first entering undergraduate programmes at the University of Liverpool in academic year 2009-10. They will continue to apply to such students for the duration of their programme of study subject to Section 1.3 below.
- 1.2) Scholarships and bursaries under these regulations are not available to the following groups of students:
  - a) Students who have transferred from another undergraduate programme at the University of Liverpool will be considered under the regulations applicable in the academic year in which they started their study. The current regulations are thus not applicable to such students.
  - b) Students who have previously achieved a qualification at an equivalent or higher level, whether in the UK or elsewhere. However students studying on programmes which may be exempted from the DIUS Equivalent and Lower Level Qualifications (ELQ) regulations and where the University has chosen to apply this exemption may be considered for scholarships and bursaries under these regulations. Similarly where a student is exempt from the ELQ regulations as a result of holding a Disabled Student's Allowance they may also be considered for scholarships and bursaries.
  - c) Students in years 1-3 of programmes in the School of Health Sciences <sup>1</sup>.
  - d) Students in years 2 – 4 of graduate entry programmes in Medicine and Dentistry.
  - e) Students in year 5 of conventional entry programmes in Medicine and Dentistry.
  - f) Students on programmes running under auspices of the Cumbria and Lancashire Medical and Dental Education Consortium. For such students a different bursary scheme is in operation.
  - g) Students in all years of the Diploma in Dental Hygiene/Therapy.
  - h) Students on University of Liverpool programmes taught at an associated college where the tuition fee is payable directly to that college, for example years 0 and 1 taught at Wirral Metropolitan College as part of a 2+2 programme. For such students the associated college is responsible for scholarship and bursary arrangements.
  - i) Those students for whom fees are charged under the "old" fee regulations, i.e. the regulations applicable prior to the introduction of variable fees.
- 1.3) Scholarships and bursaries under these regulations are available to full time students on University of Liverpool award bearing undergraduate programmes and, where other requirements are satisfied, on a pro-rata basis to those full time students repeating a year of study on a University of Liverpool award bearing undergraduate programme with partial attendance. Where a student repeats a year of study with full or partial attendance so that their total period of registration is greater than the normal length of their programme, scholarships and bursaries will only be available for a maximum number of years equal to the maximum period of public funding. This is usually the normal length of the programme plus one academic year. However for those

---

<sup>1</sup> Students studying in years 1-3 of Health Sciences programmes will be considered for the Liverpool Scholars Award and the North Liverpool Academy Scholarship, details of which are given in Sections 4 and 6.

students who satisfy the entry requirements for an Attainment Scholarship, the scholarship will only be available for a maximum number of years equal to the normal duration of the programme.

- 1.4) As the Scholarships and Bursaries described in these regulations will be paid directly into the student's bank account, students will be unable to receive these scholarships and bursaries unless they hold a sterling current account with a UK clearing bank and have notified the Student Loan Company (SLC) and/or the University of the account details.
- 1.5) Where scholarships or bursaries are dependent on household income, the scholarship or bursary can only be paid where the student's Local Authority, Student Awards Agency for Scotland (SAAS), Education and Library Board or the SLC has been provided with information on household income and consent has been given for that information to be shared with the University.
- 1.6) These regulations shall apply to the following Scholarships and Bursaries:
  - a) The Liverpool Bursary.
  - b) The Attainment Scholarship.
  - c) The Liverpool Scholars Award.
  - d) The Opportunity and Achievement Scholarship.
  - e) The North Liverpool Academy Scholarship.

The University and individual academic departments also provide a range of other scholarships and awards. Full details of these are published elsewhere.

- 1.7) A student awarded the Opportunity and Achievement Scholarship cannot concurrently hold a Liverpool Bursary or Attainment Scholarship. Where a student meets the requirements for more than one of the awards covered by these regulations, the maximum amount payable to them in any one year shall be £4,400.
- 1.8) With the exception of those tasks specifically identified in these regulations as the responsibility of other offices, the administration of these scholarships and bursaries will be undertaken by the University Student Administration and Support Division (SAS). Applicants for programmes should address enquiries relating to scholarships and bursaries to the Student Recruitment and Admissions Office, University of Liverpool, Foundation Building, Brownlow Hill, Liverpool, L69 7ZX, e-mail [ugrecruitment@liv.ac.uk](mailto:ugrecruitment@liv.ac.uk). Registered students may enquire about scholarships and bursaries in person at the Student Administration Centre, ground floor, Foundation Building, by post to Student Administration, University of Liverpool, Foundation Building, Brownlow Hill, Liverpool, L69 7ZX, or by e-mail [feesenq@liv.ac.uk](mailto:feesenq@liv.ac.uk).

## 2) The Liverpool Bursary

- 2.1) The Liverpool Bursary will be paid to home (UK) students and to EU students classified by their local authority or the SLC as Home<sup>2</sup> who fall within the scope of these regulations (see Section 1) and whose household income in the relevant academic year as assessed by their Local Authority, SAAS, Education and Library Board or the SLC is less than the qualifying threshold.
- 2.2) For academic year 2009-10 the qualifying threshold for the Liverpool Bursary will be £25,000. This figure may rise in line with inflation in subsequent years.

---

<sup>2</sup> "EU students classified by their local authority or the SLC as Home" refers to students with a fee classification at the University of Liverpool as EU who have independently been classified by their local authority in the UK or by the UK Student Loan Company as home students.

- 2.3) The Liverpool Bursary will be of value £1,400 and will be paid directly into the student's bank account in two equal instalments through the SLC Higher Education Bursary and Scholarships Scheme (HEBSS).
- 2.4) Where a student undertakes a compulsory year abroad or in industry as a part of their programme of study and as a result is charged tuition fees at a reduced rate, the Liverpool Bursary will be paid at a rate 50% of the full attainment scholarship (i.e. £700) during the year abroad or in industry. Students on a non-compulsory period abroad or in industry who are suspended during their period abroad or in industry will not receive the Liverpool Bursary during this period.

### **3) The Attainment Scholarship**

- 3.1) The Attainment Scholarship will be paid to home, EU, islands and international students falling within the scope of these regulations (see Section 1) studying on specified programmes who enter the University in academic year 2009-10 with outstanding entry qualifications.
- 3.3) The Attainment Scholarship will be of value £1,500 and will be paid in two equal instalments directly into the student's bank account by the University through the BACS system.
- 3.3) The programmes included in the Attainment Scholarships scheme for 2009-10 entrants are specified on the University web pages at:

[http://www.liv.ac.uk/study/undergraduate/attainment\\_scholarships.htm](http://www.liv.ac.uk/study/undergraduate/attainment_scholarships.htm)

This web page and associated tables will be maintained by the University of Liverpool Student Recruitment and Admissions Office (SRAO). For the avoidance of doubt, a copy of the table of programmes for which Attainment Scholarships are available for entrants in academic year 2009-10 is included as Appendix A to these Regulations.

- 3.4) For entrants offering UK A-level or AVCE entry qualifications, the requirement for the award of an Attainment Scholarship shall be grades AAB from three subjects excluding General Studies and including those subjects specified in the web list of programmes referred to in Section 3.3. Where exceptionally an alternative subject is acceptable, this will be clearly stated in the offer letter sent to the applicant.
- 3.5) The Attainment Scholarship requirements for entrants with qualifications other than UK A-levels or AVCEs are specified in a Table on the web page referred to in Section 3.3.
- 3.6) The eligible programmes and entrance requirements for the award of an Attainment Scholarship for entrants in academic year 2009-10 will be those approved by the University and appearing in the web page referred to in Section 3.3 on the 1st September 2009.
- 3.7) Prior to the start of the 2009-10 academic year, the University SRAO will determine those applicants with confirmed (UF) places who have satisfied the requirements for the Attainment Scholarship.
- 3.8) The University SRAO will provide a definitive list of students who have satisfied the requirements for the Attainment Scholarship to the University Student Administration and Support Division (SAS) in advance of the start of the academic year.
- 3.9) Subject to Section 3.11 below, the Attainment Scholarship will be available yearly for the normal duration of the student's study on the specified programme provided that the student passes each year of study at their first attempt with an overall average of 70% or above. For this purpose a student will be considered to have passed at the first attempt where the only reason for taking examinations or assessments after the normal first sitting is because of mitigating circumstances approved by the Mitigating Circumstances Committee of the School or Department.

- 3.10) Students who enter a foundation year of a University of Liverpool programme in Science or Engineering at an associated college in academic year 2009-10 will be eligible for an Attainment Scholarship when they subsequently continue with an eligible programme on the main University campus subject to passing the foundation year at the first attempt with an overall average of 70% or above. The provisions regarding mitigating circumstances in Section 3.9 will also apply to such students.
- 3.11) Continuing students on one of the specified programmes who are undertaking a compulsory year abroad or in industry will be eligible for an Attainment Scholarship for the year of study in which they are abroad or in industry at a rate 50% of the full attainment scholarship (i.e. £750) provided that in the year prior to the year abroad or in industry they passed the year at their first attempt with an overall average of 70% or above. The provisions regarding mitigating circumstances in Section 3.9 (above) will also apply to such students. In addition students who receive an Attainment Scholarship during their year abroad or in industry will automatically receive an Attainment Scholarship in the year following the year abroad or in industry provided that they successfully progress to this year of study. Students on a non-compulsory period abroad or in industry who are suspended during their period abroad or in industry will not receive an Attainment Scholarship during this period.

#### **4) The Liverpool Scholars Award**

- 4.1) The Liverpool Scholars Award will be available for a maximum of 50 home (UK) students or EU students classified by their local authority or the SLC as Home<sup>3</sup> who fall within the scope of these regulations (see Section 1) from 19 designated schools and colleges across greater Merseyside in academic year 2009-10.
- 4.2) The schools and colleges included in the Liverpool Scholars Award scheme are listed in Appendix B to these regulations.
- 4.3) Prior to the start of the 2009-10 academic year, the University SRAO will determine those applicants with confirmed (UF) places who are to receive a Liverpool Scholars Award and notify them of their award. In making this determination, SRAO will identify applicants from the designated schools and colleges who are from social groups under-represented in the University and whose parents have no history of participation in higher education. Decisions on eligibility for the Liverpool Scholars Award will be made on admission and students not in receipt of the award during their entry year will not be able to receive the award in subsequent years.
- 4.4) The University SRAO will provide a definitive list of Liverpool Scholars to the University SAS in advance of the start of the academic year.
- 4.5) The Liverpool Scholars Award will be of value £1,500 and will be paid in two equal instalments directly into the student's bank account by the University through the HEBSS system. It will continue to be paid for the normal duration of a student's study on their programme.
- 4.6) Where a student undertakes a compulsory year abroad or in industry as a part of their programme of study and as a result is charged tuition fees at a reduced rate, the Liverpool Scholars Award will be paid at a rate 50% of the full Award (i.e. £750) during the year abroad or in industry. Students on a non-compulsory period abroad or in industry who are suspended during their period abroad or in industry will not receive the Liverpool Scholars during this period.

---

<sup>3</sup> "EU students classified by their local authority or the SLC as Home" refers to students with a fee classification at the University of Liverpool as EU who have independently been classified by their local authority in the UK or by the UK Student Loan Company as home students.

## 5) The Opportunity and Achievement Scholarship

- 5.1) The Opportunity and Achievement Scholarship will be available to home (UK) students and to EU students classified by their local authority or the SLC as Home<sup>3</sup> who fall within the scope of these regulations who are admitted to their programme on the basis of UK A level grades AAB, or equivalent grades in other qualifications, and whose household income in their year of entry to the programme (i.e. in academic year 2009-10) as assessed by their Local Authority, SAAS, Education and Library Board or the SLC is less than or equal to the qualifying threshold. Decisions on eligibility for the Opportunity and Achievement Scholarship will be made on admission and students not in receipt of the Scholarship during their entry year will not be able to receive the Scholarship in subsequent years.
- 5.2) For academic year 2009-10 the qualifying threshold for the Opportunity and Achievement Scholarship will be £20,817<sup>4</sup>. The University reserves the right to amend this threshold.
- 5.3) The University SRAO will maintain a list of alternative qualifications considered equivalent to grades AAB at A level and notify applicants offering alternative qualifications of these equivalences.
- 5.4) Prior to the start of the 2009-10 academic year, the University SRAO will determine those applicants with confirmed (UF) places who have satisfied the academic entry requirements for the Opportunity and Achievement Scholarship and notify them of this information. SRAO will provide a definitive list of Opportunity and Achievement Scholars to the University SAS in advance of the start of the academic year.
- 5.5) The student will subsequently be notified if they have received the Scholarship by the University SAS when information on household income becomes available from the Local Authority, SAAS, Education and Library Board or SLC.
- 5.6) The Opportunity and Achievement Scholarship will be of value £4,000 and will be paid in two equal instalments directly into the student's bank account by the University through the HEBSS system. It will continue to be paid for the normal duration of a student's study on their programme subject to their passing each year of study at their first attempt with an overall average of 60% or above. For this purpose, a student will be considered to have passed at the first attempt where the only reason for taking examinations or assessments after the normal first sitting is because of mitigating circumstances approved by the Board of Examiners of the department concerned.
- 5.7) Where a student undertakes a compulsory year abroad or in industry as a part of their programme of study and as a result is charged tuition fees at a reduced rate, the Opportunity and Achievement Scholarship will be paid at a rate of 50% of the full Scholarship (i.e. £2,000) during the year abroad or in industry. Students on a non-compulsory period abroad or in industry who are suspended during their period abroad or in industry will not receive the Opportunity and Achievement Scholarship during this period.

## 6) The North Liverpool Academy Scholarship

- 6.1) The North Liverpool Academy Scholarship will; be available to all home (UK) students and to EU students classified by their local authority or the SLC as Home<sup>5</sup> falling within the scope of these regulations (see Section 1) who are admitted in session 2009-10 after study at the North Liverpool Academy, Priory Road, Liverpool, L4 2SL.

---

<sup>4</sup> This figure reflects the household income threshold for the payment of the Education Maintenance Allowance and will rise if this threshold is increased by HMG.

<sup>5</sup> "EU students classified by their local authority or the SLC as Home" refers to students with a fee classification at the University of Liverpool as EU who have independently been classified by their local authority in the UK or by the UK Student Loan Company as home students.

- 6.2) The North Liverpool Academy Scholarship will be of value £1,500 and will be paid in two equal instalments directly into the student's bank account by the University through the BACS system. It will continue to be paid for the normal duration of a student's study on their programme.
- 6.3) Where a student undertakes a compulsory year abroad or in industry as a part of their programme of study and as a result is charged tuition fees at a reduced rate, the North Liverpool Academy Scholarship will be paid at a rate 50% of the full Scholarship (i.e. £750) during the year abroad or in industry. Students on a non-compulsory period abroad or in industry who are suspended during their period abroad or in industry will not receive the North Liverpool Academy Scholarship during this period.
- 6.4) Prior to the start of the 2009-10 academic year, the University SRAO will compile a definitive list of entrants entitled to the North Liverpool Academy Scholarship and provide this list to SAS so as to enable the payment of the North Liverpool Academy Scholarship. Decisions on eligibility for the North Liverpool Academy Scholarship will be made on admission and students not in receipt of the Scholarship during their entry year will not be able to receive the Scholarship in subsequent years.

## 7) Payment Dates and Methods

Scholarship or Bursary	Value (per year) <sup>6</sup>	Method of Payment	First Instalment Date	Second Instalment Date
Liverpool Bursary	£1,400	SLC HEBSS	18 <sup>th</sup> Dec 2009	16 <sup>th</sup> March 2010
Attainment Scholarship	£1,500	Direct through BACS	30 <sup>th</sup> Oct 2009	5 <sup>th</sup> March 2010
Liverpool Scholars Award	£1,500	SLC HEBSS	18 <sup>th</sup> Dec 2009	16 <sup>th</sup> March 2010
Opportunity and Achievement Scholarship	£4,000	SLC HEBSS	18 <sup>th</sup> Dec 2009	16 <sup>th</sup> March 2010
North Liverpool Academy Scholarship	£1,500	Direct through BACS	30 <sup>th</sup> Oct 2009	5 <sup>th</sup> March 2010

## 8) Additional Information

### 8.1) Confirmation of Participation in Study

With the exception of the Liverpool Bursary, the second instalment of the scholarships and bursaries described in these regulations will only be paid where the student has attended the first semester examinations or their absence with good cause has been approved by their school or department. This provision shall not apply to those students on a compulsory year abroad or year in industry.

### 8.2) Debt to the University

As a consequence of Section 4(e) of the "Rules Regulating the Payments of Fees by Students" made under University Ordinance 20, where a student has an outstanding financial balance owing to the University 21 days prior to the due date for the second instalment of a scholarship or bursary, the second payment will initially be applied to the outstanding balance with any residue after settlement of the outstanding balance being paid to the student. This provision shall only be applicable to the Attainment Scholarship, Liverpool Scholars Award, Opportunity and Achievement Scholarship and the North Liverpool Academy Scholarship.

### 8.3) Misrepresentation of Qualifications

<sup>6</sup> The value of scholarships and bursaries is reduced when a student is on a compulsory year abroad. In addition there are restrictions on which scholarships and bursaries may be simultaneously held.

The University will require the repayment of any award based on entry qualifications where a student has wilfully misrepresented their qualifications. The student may also be reported to the University Board on Discipline.

#### 8.4) Withdrawal and Suspension

Where a student withdraws from a programme of study or suspends their study, they cease to be entitled to scholarships or bursary under these regulations for the current academic year from the date of their withdrawal or suspension. When because of the inevitable delays in the BACS and HEBSS systems a payment is erroneously made to a student after their withdrawal or suspension, the University will require the return of such a payment. Similarly where a scholarship or bursary is dependent on household income and, as a result of a change in income or a reassessment of the income, the student ceases to be entitled to the scholarship or bursary, they will be required to return any payments already made.

#### 8.5) Changes to Regulations

The University retains the right to alter or add to these regulations in the following circumstances:

- a) To adjust income thresholds to reflect inflation or other financial changes.
- b) In response to changes external to the University, for example those made by the Department for Innovation, Universities and Skills, the Higher Education Funding Council for England, Local Authorities, SAAS, Education and Library Boards and the SLC.
- c) Where, at its absolute discretion, the University believes that an error or omission has been made in the regulations.

Where changes are made to the regulations the University will notify all undergraduate students by e-mail prior to any change coming into effect.

## APPENDIX A

### ELIGIBLE PROGRAMMES FOR ATTAINMENT SCHOLARSHIPS

#### BIOLOGICAL SCIENCES

Biochemistry BSc (Hons) C700  
Biochemistry with a Year in Industry/Research BSc (Hons) C701  
Biological and Medical Sciences (leading to a choice of Honours School) BSc (Hons) C130  
Biological Sciences BSc (Hons) C100  
Biological Sciences (with a Foundation Year) leading to BSc (Hons) C108  
Biology with a Year in Industry/Research BSc (Hons) C110  
Ecology and Environment BSc (Hons) C192  
Genetics BSc (Hons) C400  
Genetics with a Year in Industry/Research BSc (Hons) C410  
Life Sciences applicable to Medicine BSc (Hons) B900  
Marine Biology BSc (Hons) C160  
Microbial Biotechnology BSc (Hons) C5J7  
Microbiology BSc (Hons) C500  
Molecular Biology BSc (Hons) C720  
Molecular Biology with a Year in Industry/Research BSc (Hons) C721  
Tropical Disease Biology BSc (Hons) C111  
Zoology BSc (Hons) C300  
Zoology with Evolutionary Psychology BSc (Hons) C3C8

#### CHEMISTRY

Chemical Sciences leading to BSc (Hons) (4 year route including Foundation Year at Carmel College) F108  
Chemistry BSc (Hons) F100  
Chemistry MChem F102  
Chemistry with a Year in Industry (Hons) F111  
Chemistry with Business Studies F1N2  
Chemistry with Nanotechnology MChem F1F3  
Chemistry with Research in Industry MChem F161  
Medicinal Chemistry BSc (Hons) F1B2  
Medicinal Chemistry with Pharmacology MChem F1BF  
Chemistry with Oceanography BSc (Hons) F1F7

#### COMPUTER SCIENCE

Artificial Intelligence BSc (Hons) G700  
Computer Information Systems BSc (Hons) G500  
Computer Information Systems BSc (Hons) (4 year route with Carmel College) G521  
Computer Science BSc (Hons) G400  
Computer Science BSc (Hons) (4 year route with Carmel College) G408  
Computer Science MEng (Hons) G401  
Computing with a Year in Industry BSc (Hons) G402  
Electronic Commerce Computing BSc (Hons) G490  
Internet Computing BSc (Hons) G501  
Software Development BSc (Hons) G610

#### EARTH AND OCEAN SCIENCES

Chemistry with Oceanography BSc (Hons) F1F7  
Earth Sciences entry route leading to BSc (Hons) (4 year route including a Foundation Year at Carmel College) F608  
Geology and Geophysics MEng (Hons) F641  
Geology and Physical Geography BSc (Hons) F6F8  
Geology and Physical Geography BSc (Hons) FF68  
Geology BSc (Hons) F600

Geology MEng (Hons) F601  
Geology MEng (Hons) F603  
Geophysics (Geology) BSc (Hons) F640  
Geophysics (North America) MEng (Hons) F660  
Geophysics (Physics) BSc (Hons) F656  
Mathematics with Ocean and Climate Studies BSc (Hons) G1F7  
Oceans, Climate and Physical Geography BSc (Hons) FF78  
Oceans and Climate BSc (Hons) FF7V  
Physics with Ocean and Climate Studies (Hons) F3F7

## ELECTRICAL ENGINEERING AND ELECTRONICS

Avionic Systems BEng (Hons) H430  
Avionic Systems MEng (Hons) H431  
Avionic Systems with a Year in Industry BEng (Hons) H432  
Avionic Systems with a Year in Industry MEng (Hons) H433  
Avionics Systems with Pilot Studies BEng (Hons) H490  
Avionics Systems with Pilot Studies MEng (Hons) H491  
Avionic Systems with Pilot Studies with a Year in Industry BEng (Hons) H492  
Avionic Systems with Pilot Studies with a Year in Industry MEng (Hons) H493  
Computer Science and Electronic Engineering BEng (Hons) HH66  
Computer Science and Electronic Engineering MEng (Hons) GHK6  
Computer Science and Electronic Engineering with a Year in Industry BEng (Hons) HG6L  
Computer Science and Electronic Engineering with a Year in Industry MEng (Hons) GHKP  
Electrical and Electronic Engineering BEng (Hons) (with Foundation element) H604  
Electrical Engineering and Electronics BEng (Hons) H603  
Electrical Engineering and Electronics MEng (Hons) H606  
Electrical Engineering and Electronics with a Year in Industry BEng (Hons) H605  
Electrical Engineering and Electronics with a Year in Industry MEng (Hons) H607  
Electrical Engineering BEng (Hons) H620  
Electrical Engineering with a Year in Industry BEng (Hons) H624  
Electronic and Communication Engineering MEng (Hons) H646  
Electronic and Communication Engineering BEng (Hons) H621  
Electronic and Communication Engineering with a Year in Industry BEng (Hons) H622  
Electronic and Communication Engineering with a Year in Industry MEng (Hons) H623  
Electronics BEng (Hons) H610  
Electronics MEng (Hons) H602  
Electronics with a Year in Industry BEng (Hons) H613  
Electronics with a Year in Industry MEng (Hons) H614
