INTERNATIONAL SUMMER SCHOOL

**Short term study
with long term impact**

Studying at Liverpool takes many forms – full 3 year programmes, one year Master's, or short programmes like the International Summer School. Whatever you choose you will be part of an enduring story, and welcomed like a friend.

You can choose to study 3 or 6 weeks, and select from an expertly curated range of credit bearing academic modules. You can expect to collaborate, to present, to challenge and be challenged, and to adopt the study skills that will set you up for a lifetime of learning. Complement your existing major or expand your horizons!

Take advantage of a social programme that offers a local's eye view of our spectacular city, stay on campus, and enjoy all the benefits of being a member of the Liverpool community; now and forever.

Applications open in October and run until May – or until modules fill!

We are open to the world and ready to welcome you, however long you stay.

Study for 3 or 6 weeks and earn credit towards your home degree. Make friends for life, boost your career, and get an authentic taste of Liverpool life.

We pride ourselves on making an impact and in allowing our students to thrive in whatever ways they choose.
