BSc (Hons) Physiotherapy

https://www.liverpool.ac.uk/study/undergraduate/courses/physiotherapy-bsc-hons/entry-requirements/

@LivUniHealthSci

A member of the Russell Group
A Levels and Welsh Qualifications

Essential: **AAB**

To include Biology or P.E or Sport Science and the active leisure industry.

**Note:** General Studies is not accepted

Higher grades may be required from resit students and Applied Science A2 Level must be accompanied by another Science A-Level, not applied.

6 GCSEs at grade B or level 6 including English Language, Mathematics and two Science subjects from the following: Biology, Chemistry, Physics, PE, Core Science, Additional Science and Dual Science Award. Please note that Applied GCSEs will not be considered.

**Advanced Welsh Baccalaureate:** Grade **AA** at A-Level, to include Biology or PE, or Sport Science and the active leisure industry plus **Advanced Skills Challenge Certificate at grade A.**

---

BTEC

BTEC nationals are considered in addition to 6 GCSEs grades A*-B or level 6, which must include English Language, Maths and two Science subjects from the following: Biology, Chemistry, Physics, PE, Core Science, Additional Science and Dual Science Award. Please note that Applied GCSEs will not be considered.

We will only accept one **BTEC Level 3 National Extended Certificate** at a minimum of **Distinction.** This must be accompanied by two A-Levels at grade A and B. The A2 subjects must include Biology, Human Biology, PE or Sport Science and the active leisure industry. In total between the two types of qualification, 3 separate subjects must be taken.

**BTEC Level 3 National Diploma** in Sport and Exercise Science or Health and Social Care will be considered at grade **DD.** Plus one additional A-Level at a minimum Grade A. Across two types of qualifications, 2 separate subjects must be taken.

**BTEC Level 3 National Extended Diploma** in Health and Social Care or Sport and Exercise Science will be considered at grade **DDD.**

---

OCR Cambridge Technical

We will only accept one **OCR Level 3 Cambridge Technical Extended Certificate** at a minimum of **Distinction.** This must be accompanied by 2 A Levels at grade A and B. The A2 subjects must include Biology, Human Biology, PE or Sport Science and the active leisure industry. In total, between the two types of qualification, 3 separate subjects must be taken.

---

International Baccalaureate Diploma

Essential: **32 points** to include 3 Higher Level subjects at minimum grade 5. **Biology must be offered at minimum grade 6.**

---

European Baccalaureate Diploma

Essential: **78% overall with a minimum mark of 8 in Biology** and no subject mark below 6.

---

Access to HE Diploma

Essential: **60 credits at Level 3 in a Health or Science pathway** (all should be new learning, ie. GCSE awards cannot be APL’d against the Diploma) **39 Level 3 Credits must be gained from graded academic (GA) modules within the pathway, and passed at Distinction, and 6 to be passed at Merit.**

Plus

**5 GCSE subjects graded at A*-C or level 5** to include: English Language, Mathematics and Science in either Biology, Human Biology, Chemistry or Physics.
Scottish and Irish Qualifications

Scottish Certificate of Education:
- Advanced Higher Level: ABB to include Biology or PE
  Or
- Higher Level: AAABB to include Biology or PE at grade A
  Or
- Mixed Advanced Higher Level at AB and Higher Level at AB with Biology or PE at either Higher Level grade A or Advanced Higher Level grade B.

Irish Leaving Certificate
- Leaving Certificate: 6 Higher Level subjects to be gained at a single sitting including English and Maths. 2 subjects at H1 grade to include either Biology or PE. Plus 3 subjects at H2 grade and one subject at H3 grade.
- Higher grades may be required from students resitting.

Graduate Applicants
We welcome applications from graduates holding a minimum of a 2:1 classification. Applicants with a non science based degree will be asked for Biology A-Level at Grade B or the OU SK299 at Pass Grade 2.
The degree qualification should be supported by a sound academic background, with a minimum of 5 GCSEs at grades A* - C or level 5, which should include English Language, Mathematics and Science to include either Biology, Human Biology, Chemistry, or Physics.

International & EU Applicants
Residents of ‘European Union’ countries, educated under a non-British system should present with qualifications which have a strong biological science component and which would admit them to a degree course at a University in their own country.
Translations of all educational certificates must be provided.
We accept international students through UCAS. However, we also accept International students who successfully complete the Foundation Certificate in Science and Engineering (Health and Medicine) programme at the Liverpool International College. Success at interview is also required.
Students whose native language is not English must show evidence of proficiency in English to a standard equivalent to average academic level 7 of the International English Language Testing System (IELTS), with no component lower than 6.5.
NB: Please note that this degree may not be acceptable in other countries.

Important Note
The academic profile, reference and personal statement of each candidate are given equal consideration. Due to the large number of applications it is advised that candidates ensure that they present with the strongest possible application in order to progress to the interview stage.

For qualifications not listed in this document, please visit our web site or email the Admissions Team.
Additional Essential Requirements for a successful UCAS application

**Essential Requirements**
