

Students on the following programme must participate in Year in China between years 3 and 4

- MPhys Astrophysics

Students on the following programmes can choose to participate in Year in China between years 2 and 3 OR years 3 and 4

- MEng Avionic Systems
- MChem Chemistry
- MChem Chemistry with Nanotechnology
- MEng Computer Science and Electronic Engineering
- MEng Computer Science
- MEcol Ecology & Environment
- MEng Electrical and Electronic Engineering
- MESci Geology & Geophysics
- MESci Geology & Physical Geography
- MESci Geology
- MEng Mechatronics and Robotic Systems
- MChem Medicinal Chemistry with Pharmacology
- MOSci Ocean Science
- MPhys Physics
- MPlan Town and Regional Planning
