Welcome to Open Day!

We are the original redbrick university, proud to welcome people from every walk of life, helping our students forge their own path. For many of our students, visiting one of our Open Days was their first step. Take yours today, and discover what we can offer you at the University of Liverpool. We hope you enjoy your visit!

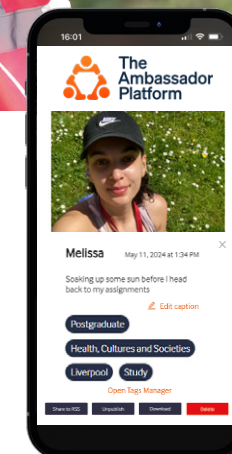

Open Day runs from approximately 09.00 to 15.30, with most subject areas open from around 09.30. Please check times for individual subjects on pages 18–30.

Our students

Keep an eye out for our friendly Student Advocates (they're in the bright pink vests – you can't miss them!). They are here to help you with any questions you have about Open Day, or if you just fancy chatting to a current student about life at Liverpool.

Want to see what our current students are up to?

Scan below to visit **The Ambassador Platform**, where you can see what our students get up to, from campus to city life.

Just arrived?

Check in

Head to one of the welcome points (see campus map on page 16), or beat the queues and check in using your 'My Events' link. Find this link in any of your Open Day emails or SMS we'll send to you on the day.

A good place to start

Where possible, we recommend starting your day at either the 'Welcome to the University of Liverpool' presentation or at one of the Welcome Points, where you can pick up a guide, tote bag and get directions to your activity (see campus map, page 16 for locations).

Accommodation tours

If you are interested in a city campus accommodation tour and haven't already booked online, speak to a member of staff or one of our Student Advocates for how to book on the day.

Follow us

Keep up-to-date with Open Day by following and liking our social channels using **#TeamLivUni**

Where to start

All buildings and location points can be found on our **Campus Map**, page 16.

University Square is at the heart of campus and is your main hub on Open Day. Here you can pick up a guide and a tote bag, get directions and chat to our helpful staff. You can also grab a seat and listen to our DJ, report lost property and find our lost persons meeting point here.

Dogs at Open Day

Whilst we love seeing your furry friends exploring our external campus, dogs are not permitted inside university buildings or on university transport. Registered Assistance Dogs are welcome in all areas of the University.

TOP TIPS

- **Plan your day in advance** – bring a pen and make use of the **Open Day planner** on page 32!
- **Prepare questions in advance** – our tutors and staff will be around to answer questions about the subjects you're interested in.
- **Wear comfy clothes and shoes** as there will be lots of walking round campus!
- **Stay hydrated** – we advise you bring a reusable water bottle, our water refill stations can be found on our campus map (page 16).
- **Look out for our Open Day signage** and campus maps which let you know where you are on campus.

Access

We aim to make your visit to our campus as easy and comfortable as possible. See below for further information.

If you have any questions, please speak to a member of staff on the day or respond to any of your Open Day emails in advance of the event.

There is a sensory room in the Sydney Jones Library equipped with sensory objects, dimmable lights, comfortable seating, and other amenities.

There is a designated Quiet Space in the Harold Cohen Library, this offers a place to unwind and decompress if needed.

Our Muslim prayer room is located on the lower ground floor of the Sydney Jones Library.

All of our Open Day buildings have accessible toilets. Changing Places toilets can also be found in the Yoko Ono Lennon Centre, Sydney Jones Library and Chadwick Building.

Food and drink

Our campus offers numerous spots to relax and enjoy refreshments. Whether you're in the mood for a hot meal, a quick sandwich or pizza, our cafes and restaurants have you covered.

Additionally, University Square hosts a variety of street food vendors, providing even more delicious options.

Don't miss the chance to visit the Guild of Students and try the famous Guild burrito, a favourite among students and staff.

Free tea and coffee

is available for all prospective students and guests at our University outlets. Scan the QR code for more info and a list of outlets.

TOP TIP

Mature students may find the following talk useful – **foundation programmes presentation and Q&A.**

 A British Sign Language Interpreter will be available at this presentation.

Information Zone

Step in to the original redbrick building anytime between 09.00 and 15.30 and visit our Information Zone, which is just a stone's throw away from our central Welcome Point on University Square. The ground floor of the Victoria Gallery and Museum is where you can pick up useful resources and find out more from our representatives.

Accommodation

The team are available to explain the different accommodation options and answer any questions you have.

Applying and Admissions

There are many things to consider before you apply to study at university. Speak to our Admissions Team to find out more about the application process and what it involves.

Foundation programmes

Working closely with **Carmel College**, the University of Liverpool has developed a Foundation programme to help develop necessary skills before you start your degree. The Foundation year at Carmel College offers direct progression onto a number of our degree courses. These include Health, Veterinary, Medicine, Dentistry (for mature individuals who may already be working in a related career or have a degree in a subject which is not science based) and Science and Engineering (for applicants aged 18+ who do not meet the standard entry requirements for a degree).

Global Opportunities

Find out about our great range of life changing global opportunities for you to experience during your undergraduate studies with us.

Libraries

Find out how our libraries support learning throughout your time at university and have a look at the resources and services available to you.

Widening Participation & Outreach

We're working hard to make sure all students have the opportunity to go to university, whatever their background. We offer a range of support for students who are from areas where people are traditionally less likely to go to university, as well as care experienced students, young carers, independent students, disabled students, asylum seekers, refugees and Black, Asian and minority ethnic students. Come and meet the team and discover how we can support your journey to university.

Meet the Sustainability Team

Sustainability is a priority for the University, important to every aspect of campus life. Come and meet members of the Sustainability Team to find out what we are doing to tackle climate change and the biodiversity crisis, and learn how you can get involved through your course and our new Living Labs programme, as well as the many volunteering opportunities available to students. You can also have a go at our interactive game "How Bad are Bananas?"

Liverpool Guild of Students

Liverpool
Guild of
Students

We're Liverpool Guild of Students, the Students' Union for University of Liverpool students.

We keep students at the heart of everything we do, opening the door to all of the opportunities outside of your studies and enriching your university experience.

Based at the heart of campus, our building and facilities offer a home away from home for students. As a building for everyone, there's lots to get involved in; whether you're looking to join one of our 200+ societies, volunteer across the city, affect change in student-led campaigns or meet your friends for a coffee or cocktail in the Sphinx! Make friends for life, learn something new & boost your employability: with us you can build your own Guild experience.

We are led by four student officers, elected each year by a campus-wide vote, who shape the Guild's policy and direction, ensuring we continue to fight for the things that matter and amplify the student voice.

Keeping students at the heart of our decision making, there's a whole host of ways students can have their say and see the change they need on campus.

A city like no other

Now you've experienced the delights of our fantastic campus, why not make the most of your day with a visit to the city centre to experience the buzz of life in Liverpool for yourself?

Warm, welcoming and full of characters, there's nowhere quite like Liverpool. Voted **the fourth friendliest city in the world** by Rough Guides and the **best place to live in the North West** by The Sunday Times, it's home to 445,000 people, 60,000 students and one unique spirit. Liverpool's influence shapes the world – art, music, sport and culture, and with more galleries and museums than any other UK city apart from London.

Take a stroll to our picturesque **Albert Dock** for a postcard-perfect snippet of life in Liverpool; here you'll find an abundance of restaurants, bars and museums with something to suit everyone on our famous waterfront. Or if you're looking for something a little quirkier, you can't go wrong with a mooch about **Bold Street** for independent shops, trendy eateries and culture by the bucketload.

Please note, to allow you to see everything we have to offer, tours of our Leahurst campus are part of our Applicant Discovery Days (for applicants who have been made an offer to study with us). We do have visual displays on our Open Days however, to give you a preview of what it's like!		

Parents and supporters

Going to university is an exciting time for any young person, but it can also be daunting. As a parent or supporter, it's natural to feel apprehensive – especially if your young person will be leaving home for the first time.

From guidance on making that important decision to helping them adjust to a new way of living and studying, we've got a whole host of resources to help put your mind at ease.

Top Tips for your Open Day

By attending an Open Day with your young person, you've already taken the first important steps in supporting them through this exciting process. We hope that you find your visit as interesting as they do!

While prospective students are usually most excited about subject sessions, viewing accommodation and checking out what's available in the Guild of Students (can we blame them?!), we thoroughly recommend that parents and supporters take a visit to the Victoria Gallery and Museum to explore our Information Zone.

Here, you'll be able to speak directly to expert staff about our admissions processes – including our Widening Participation team – as well as getting any queries about accommodation answered.

Should you be looking to find out more about our student services including mental health support, you'll find the friendly team in our Student Life Building.

If you've got time after the event, we recommend a visit into the city centre to get a feel for what Liverpool has to offer your young person outside of study. We're sure you'll be wowed by the abundance of culture (we're home to more museums and art galleries than anywhere in the UK outside of London), the array of incredible restaurants and bars, beautiful green spaces, iconic waterfront and the close-knit community feel that encapsulates it all.

Check out our online Parents & Supporters resources

We have a dedicated space on our website for parents and supporters that contains detailed information on everything you need to know, as well as FAQs and top tips to support your young person through the application process.

You can also sign up for our newsletter online. Be the first to hear about any activities and events we have planned for parents & supporters, and receive useful information about the application process, fees and funding, student support services and more.

Did you know?

The city of Liverpool is so famous for its warm and welcoming atmosphere – it was voted the **4th friendliest city in the world** by Rough Guides.

Find out more in our **Liverpool: Your City** presentations taking place at 11.45 and 14.30 (see page 6 for details).

TOP TIP

We recommend planning around the subject sessions you're interested in before taking the time to view accommodation. We also encourage all visitors to attend our general talks and to visit the Information Zone.

Hope you had a great day!

Don't worry if you didn't get the chance to see everything today. If you receive an offer from us you'll be invited back to an Applicant Discovery Day.

Why not take us home with you?
