Orthoptics

As part of the Office for Students Strategic Intervention in Health Education Disciplines (SIHED), the University of Liverpool, has been provided with an exciting opportunity to promote the degree and profession of Orthoptics to students and careers advisors.

Orthoptics is a vocational degree that provides both an academic and professional qualification and as Orthoptists are in high demand, finding a job is easy!

For more information about the campaign, visit:

https://www.iseethedifference.co.uk/

Activities that can be offered can help in a variety of ways, including meeting a number of the new Gatsby Benchmarks, particularly:

- Benchmark 2: Learning from career and learner market information
- Benchmark 4: Linking curriculum learning to careers
- Benchmark 7: Encounters with FE and HE

Activities That Can Be Offered*:

- Bespoke sessions for your school or college
- Assembly presentations
- Career presentations
- Interactive workshops
- Bespoke Orthoptics visits to the university campus

*Activities on offer are subject to availability and demand
