

# Surface Science Day

11<sup>th</sup> December 2017

*Surface Science Research Centre, the University of Liverpool*

*Surface Science Day @ the University of Liverpool is the 2<sup>nd</sup> in a series of one-day workshops focussed on surface science. The workshop aims to cover most aspects of surface science research. The day includes a full programme of invited speakers with opportunities for cross-fertilization between sub-disciplines. In addition, there is a poster session for contributed posters from delegates. Student posters are eligible for entry for a poster prize, which will be awarded on the day.*

## **Invited speakers:**

*Prof Christopher Baddeley, University of St Andrews*

*Prof Wendy Brown, University of Sussex*

*Prof Neil Champness, University of Nottingham*

*Prof Giovanni Costantini, University of Warwick*

*Prof Russ Egdell, University of Oxford*

*Dr Quanmin Guo, University of Birmingham*

*Dr Stephen John Jenkins, University of Cambridge*

*Dr Rob Lindsay, the University of Manchester*

*Prof Mats Persson, the University of Liverpool*

*Dr Emma Springate, STFC Rutherford Appleton Laboratory*

**Registration is free! Visit the workshop website to register:
