

List of approved Access courses for application onto the 5 year BVSc Veterinary Science (D100) programme for 2023 entry.

- Belfast Metropolitan College (Access Diploma in Foundation studies: Biological/Biomedical Sciences) chemistry 2 must be taken as an optional subject
- Birbeck College, University of London (Certificate HE for Life Sciences)
- City and Islington College (Access to Medicine and Medical Biosciences)
- City of Liverpool College (Access to Science)
- Leeds City College (Science Diploma)
- Manchester College (Access to HE Diploma Medicine, Dentistry, Pharmacy and Medical Science)
- Manchester College (Access to HE Diploma Veterinary Science and Zoology)
- West Kent College (Access to Combined Sciences)

These Access courses are due to be reassessed in Spring 2022, therefore we would advise you contact us during May 2022 to see which courses have been approved for 2023 entry onwards.

Additional Information:

- We require 45 credits at Distinction to include 15 at level 3 Biology and 15 at level 3 Chemistry.
- We consider the Access Courses to be suitable for adult learners who should normally have been out of education for at least 5 years.
- We do not consider Access Courses to be appropriate for students who have failed to achieve the necessary A level grades in the last 5 years.
- At least 5 GCSE subjects at grade B/grade 6 including Maths, English and a Science subject.
- Vocational/Applied GCSEs are not accepted. Functional skills qualifications will not be considered in place of GCSEs.
- The GCSE requirements should be in place at the time of application. We are unable to consider pending grades at GCSE level.
