To the incoming cohort of Biovet freshers 2024,

Firstly, congratulations on getting a confirmed place at Liverpool University! You should be extremely proud of such an achievement; all your hours of hard work have paid off! You will soon be studying at the **best** uni for the next 3 years - not biased at all!!

We have decided to do things a little different this year, and have opted for a co-presidency, meaning you are fortunate enough to get two for the price of one! This year's co-presidency consists of Anna Warner and Katie Mitchell and we are both keen to ensure the best experience for this coming year! We will introduce ourselves separately, and at the same time tell you a bit more about the Liverpool University Veterinary Society (LUVS).

Firstly before you hear about us, we would like to introduce to Jools, who is heading into his 3rd year of the course:

"I joined LUVS in my first year of Biovet and felt immediately welcome by the committee and assigned buddies. As a society they offer a wide range of social, academic and sporting events. I found these were good opportunities to meet new people and gain insight into interview techniques for vet courses and knowledge into topics inside veterinary. I joined the rugby team which has been one of my highlights over the last few years, it has a good mix of competitive and social aspects with a side that always welcomes new faces. LUVS also has really fun and creative socials outside of sports teams that are always something to look forward to! The society has added a lot of value to my university life, and I look forward to getting more involved over the coming years."

And Laura who has just finished the course and has been the LUVS biovet rep the past year:

"Being a biovet whilst in LUVS is extremely fun; LUVS is a fantastic community that allows you to connect with likeminded people and also further your knowledge through the various subsocs. But don't stress, it's not all work! Some of my favourite memories created at uni were from LUVS society and there is something for everyone, anything from messy vet freshers to winter formal and summer ball. Everyone is so so friendly and always happy to have a chat."

Here's a little bit about us!

- Hello first years of 2024! My name is Anna, and I'm from the depths of Shropshire where I live on a poultry arable farm and my mum is an equine vet. When not doing vet things or seeing practice with my mum, I enjoy working on the farm, horse riding and playing sports, in particular netball. When not playing sport or studying I can usually be found partying or in the pub socialising with friends, we take the saying "work hard, play hard" seriously at Liverpool. LUVS has been a key part in my vet school journey so far and really does provide a vital role in enriching your experience! This can be through clinical talks, sports teams, parties and fancy events!
- Hi everyone! I'm Katie and I come from a village just south of the Peak District. Outside of studying and placement, I enjoy looking after all our animals at home, cooking and sport. I love playing both hockey and netball, especially for our LUVS teams, and I highly encourage anyone who is thinking of joining any of our seven sports or eight Subsocs to give them a go! LUVS has been a massive part of my uni experience and I've made some amazing friends and great memories by being a part of it. From providing classy black-tie balls, wild themed parties, practical days and enrichment talks about the veterinary profession, LUVS really has it all. It is an incredibly important part of my support network and genuinely makes the vet course stand out from all others. I can't wait to meet you all and help you make the most of your first year at the best uni!

Our aim as presidents is to provide each and every one of you with a packed and memorable year, and if you have any questions or queries, please don't hesitate to contact us on lurvspres@liverpool.ac.uk! Remember to work hard and play hard and you will do well in UoL!

LUVS isn't just about sport though! We have a wide array of clinical and social sub societies who provide specialist talks and fun practical days involving the species they support. Our seven sports teams welcome all abilities and players can attend either for the social or competitive element! We highly recommend you have a go at anything you would like to try, don't be shy, we were all new once! You can find out more about each sub-society using the links on the Welcome Week Page on our website.

We take student welfare and wellbeing very seriously in LUVS, and through the support networks in LUVS in the form of our Well Being rep, the Vet School, University and wider veterinary community, we can confidently say that help is always close by should you ever need it. We also have an amazing team of Peer Supporters, which consists of our very own students, trained by the university counselling service. Peer supporters are amazing and can provide confidential help and advice should we ever need it during our time here. We also have a fantastic "Buddy System", which sees first years individually matched up with older years with the aim of providing them with support and advice on literally anything; from revision methods to bus routes, even to recommended places to eat! We pair up the buddies based on interests so look out for a google form to fill in on the LUVS Facebook page and in your uni emails! At the very least, they are a friendly face around campus, and you can look forward to meeting them during welcome week!

We also have a biovet rep on the LUVS committee, Laura has just left us as she has graduated the course, so we will be looking for someone new to take on the role and join us.

Welcome Week 2024

As part of your Welcome Week starting on the 16th September, on Wednesday 18th we host our Freshers Fair. This is held in the Foresight Centre foyer and all of the LUVS sub societies e.g., Liverpool

Small Animal Veterinary Society, Liverpool LGBTQ+ Society and sports teams; hockey, netball, rugby, squash, mens and womens football; as well as some other student representatives of organisations such as Peer Support will be present to talk to you about what they do and inspire you to join if you are interested. This will run between 2-4pm and we would love to see as many of you there as possible.

On Friday 20th we are hosting a casual and social rounders afternoon in Sefton Park. We will have more details on the exact location within the park and timings to come - see the facebook page! You do not need to be an avid sportsman at all, this is a fun occasion to meet fellow freshers in your year and get outdoors in Liverpool's beautiful and biggest park. We will also have students from older years there as well to answer any questions you may have.

LUVS Freshers Week 2024

To properly welcome you into the university from day one, we have created the perfect opportunity for you to let your hair down and get a taste of LUVS and university life with our very own Freshers Week during week 1 of term. We are the only society to do this, and it is one of the highlights of the year. All the events are completely FREE for LUVS members (another great incentive to join the best society in Liverpool!) and provide a great opportunity for you to meet new people and make some incredible memories. The events and dates you can look forward to include:

- Sunday 22nd September - Meet the buddy
- Monday 23rd September - Quiz Night
- Tuesday 24th September - Liverpool Bar Crawl
- Wednesday 25th September - Cake, Coffee and chat afternoon
- Thursday 26th September - Buddy meal
- (Friday 27th September - Night off)
- Saturday 28th September - Welcome party

... and not to mention lots of fancy dress! Keep your eyes peeled for more details!

Membership

It is not compulsory to join LUVS as a biovet student, but we strongly recommend you do, as your time here will not be the same without it! Payment to sign up to LUVS is a one-off fee of £35, and gives you membership to a lifetime of support, as well as access to fantastic opportunities while you're at Liverpool, such as:

- Free access to all freshers' events in first semester
- Free Biovet Freshers' Week t-shirt
- Free freshers 'welcome pack'
- Free entry to LUVS talks
- Discounted, sometimes free entry to LUVS events throughout all three years
- A 'buddy' to guide you through your time at Liverpool
- Drinks deals
- Access to JAVS journals, bursaries and competitions
- Free Vet times subscription - follow the link to sign up with their form <https://vettimes2.typeform.com/to/YdqXTcw4>
- Eligibility to join the LUVS committee and have your say on how the society and vet school/uni operate
- Eligibility to join any of the sub societies and sports teams that LUVS has to offer

- Access to the LUVS clothing shop that sells LUVS branded clothing for placements and regular wear - it is not a requirement to wear LUVS branded clothing for placements or classes/practicals

Securing a LUVS membership really is a great thing to do to kick start to your time here at Liverpool, we highly recommend it!

If we've managed to tempt you, please follow these steps:

- 1) Please make a bank transfer of £35 online to **Liverpool University Veterinary Society**

Account number: 20590223

Sort code: 20-51-43

PLEASE PUT YOUR NAME (forename and surname) AS THE REFERENCE so that we can keep track of your payment and of our new members.

- 2) When you have made the payment, please fill out this google doc, confirming you have made the payment.
https://docs.google.com/forms/d/e/1FAIpQLSe2yhoOJGDJpeHV6MGLSfQoP5fSdVNJx3FQD4c2oDNhUcOeA/viewform?usp=sf_link
- 3) Please make this payment by 01/09/2024 so that we can ensure everything is in place and ready for when you arrive later in September.

We've rambled on enough now, so to find out any more information, check out our website <http://www.luvs.org.uk> and instagram [@livunivets](https://www.instagram.com/livunivets) to get to know your committee for 2024/25!

We have a public Facebook page 'Liverpool University Veterinary Society' which you can find and like, and then add yourself to 'Liverpool Veterinary Society (LUVS) 2024-2025', which is our members-only Facebook page for this year. Also, especially for your cohort, we have set up the Facebook page 'Liverpool Vets, Biovets and Foundation year entry 2024'. The links to these and our other social media outlets can be found below.

Just to finish off, we'd all just like to say a MASSIVE CONGRATULATIONS. Liverpool is an amazing city and we're a very friendly bunch here at the uni. Hopefully, this letter has given you an insight into the wonderful world of LUVS, we're all looking forward to meeting you all very soon! If you have any questions, please email us (luvspres@liverpool.ac.uk).

For the meantime, on behalf of ourselves, Lucy (Leahurst VP), Esme (Liverpool VP), Georgia (Secretary), Minnie (Treasurer) and the rest of the committee, we'd like to say WELL DONE, and we shall see you all very soon!

With lots of LUVS love,

Katie and Anna
