

Liverpool University Veterinary Society:

# LGBT+ Society

**The LGBT+ Society - a Safe Space for You.**

**Acceptance, Support & Connection**

We are an inclusive society welcoming members of the LGBTQIA+ community, those questioning and allies. Come to our events, connect with friends, peers and future colleagues. Take time for your wellbeing, get to know others in the community and discover queer culture in Liverpool.

**Join in our Socials and Events and have your say!**

Membership is **free!** Socials and events will be varied to make sure there is something available for everyone. Join in on daytime events such as crafts, games and talks or come out in the evening on a bar crawl with us! Let's celebrate our PRIDE.

**Becoming a vet doesn't get in the way of you being your **COLOURFUL** self!**
