

Hi freshers!

Congratulations on your place at Liverpool (the best vet school around).

We are the Liverpool University Vets Men's football team:

This year we are entering into both the Sunday and Wednesday campus 11 a side leagues and the Friday 6 a side, where we play against football teams from the other courses at the University of Liverpool - so there's plenty of matches to get involved with as well as training once a week. Whatever your football background – from academy level to never having kicked a ball, we are welcoming to all!

The course can be challenging at times and we all need to have fun at university - so join us for monthly curry nights, drinks after games and plenty more socials throughout the year. We're a friendly group of lads who have been in your exact position before and are always willing to lend a helping hand or advice to help you through your first year as a vet student!

Membership costs £45, paid to the AU so just a heads up. This money goes towards ref fees and hiring pitches for games but we sort that all once you've started the course so no need to worry right now.

If you have any questions, please don't hesitate to get in touch. You can find us on Instagram @luv.fc

We look forward to welcoming you to the club in September!

Your captain, Lewis Hawley
