

## RCVS CERT AVP ASSESSMENT METHODS - EQUINE

Module Title	RCVS Ref No.	Summary of Assessors	How often will assessments be run and where	Assessment Details
Foundations in Advanced Veterinary Practice	A-FAVP.1	Suitably qualified University staff	<b>FCP &amp; ELP</b> On line assessment submitted at designated times during module period (continuing assessment) <b>AO</b> By post, online or email assessment submitted at designated times during module period (continuing assessment)	Two case reports (1500 words each), two critiques (500 words each) and five assessed discussion boards
Equine Practice	B-EP.3	Suitably qualified University Staff	<b>FCP &amp; ELP</b> On line assessment submitted at designated times during module period (continuing assessment) <b>AO</b> By post, online or email assessment submitted at designated times during module period (continuing assessment)	Four reflective case reports (1500 words each) and one journal critique/journal club presentations (pass/fail)
Equine Gastrointestinal Disease and Intensive Care	C-E.1	Suitably qualified University Staff	<b>FCP &amp; ELP</b> On line assessment submitted at designated times during module period (continuing assessment) <b>AO</b> By post, online or email assessment submitted at designated times during module period (continuing assessment)	Two open book examinations using a range of short answer questions, two reflective case reports (1500 words each) and one journal critique/journal club presentation (pass/fail)
Equine Cardiovascular and Respiratory Diseases	C-E.2	Suitably qualified University Staff	<b>FCP &amp; ELP</b> On line assessment submitted at designated times during module period (continuing assessment) <b>AO</b> By post, online or email assessment submitted at designated times during module period (continuing assessment)	Two open book examinations using a range of short answer questions, one reflective case reports (1500 words), one protocol and outline for clinical audit (1500 words) and one journal critique/journal club presentation (pass/fail)

Equine General Medicine	C-E.3	Suitably qualified University Staff	<p><b>FCP &amp; ELP</b> On line assessment submitted at designated times during module period (continuing assessment)</p> <p><b>AO</b> By post, online or email assessment submitted at designated times during module period (continuing assessment)</p>	Two open book examinations using a range of short answer questions, two reflective case reports (1500 words each) and one journal critique/journal club presentation (pass/fail)
Neuromuscular, Behaviour and Special Senses	C-E.4	Suitably qualified University Staff	<p><b>FCP &amp; ELP</b> On line assessment submitted at designated times during module period (continuing assessment)</p> <p><b>AO</b> By post, online or email assessment submitted at designated times during module period (continuing assessment)</p>	Two open book examinations using a range of short answer questions, two reflective case reports (1500 words each) and one journal critique/journal club presentation (pass/fail)
Basic Equine Surgery	C-E.5	Suitably qualified University Staff	<p><b>FCP &amp; ELP</b> On line assessment submitted at designated times during module period (continuing assessment)</p> <p><b>AO</b> By post, online or email assessment submitted at designated times during module period (continuing assessment)</p>	Three open book examinations using a range of short answer questions, two reflective case reports (1500 words each), one journal critique/journal club presentation (pass/fail) and a portfolio of 20 cases.
Equine Lameness (A)	C-E.6	Suitably qualified University Staff	<p><b>FCP &amp; ELP</b> On line assessment submitted at designated times during module period (continuing assessment)</p> <p><b>AO</b> By post, online or email assessment submitted at designated times during module period (continuing assessment)</p>	Two open book examinations using a range of short answer questions, two reflective case reports (1500 words each) and one journal critique/journal club presentation (pass/fail)

Equine Lameness (B)	C-E.7	Suitably qualified University Staff	<p><b>FCP &amp; ELP</b> On line assessment submitted at designated times during module period (continuing assessment)</p> <p><b>AO</b> By post, online or email assessment submitted at designated times during module period (continuing assessment)</p>	Three open book examinations using a range of short answer questions, two reflective case reports (1500 words each), one journal critique/journal club presentation (pass/fail) and a portfolio of 10 cases
Equine Reproduction Modules	C-E.9 to C-E.11	Suitably qualified University Staff	<p><b>FCP &amp; ELP</b> On line assessment submitted at designated times during module period (continuing assessment)</p> <p><b>AO</b> By post, online or email assessment submitted at designated times during module period (continuing assessment)</p>	Two open book examinations using a range of short answer questions, two reflective case reports (1500 words each) and one journal critique/journal club presentation (pass/fail)
Equine Dental Anatomy and Physiology	C-E.12	Suitably qualified University Staff	<p><b>FCP &amp; ELP</b> On line assessment submitted at designated times during module period (continuing assessment)</p> <p><b>AO</b> By post or email assessment submitted at designated times during module period (continuing assessment)</p>	Two reflective case reports (1500 words each), two open book examinations using a range of short answer questions, a portfolio of cases (10 dental charts) and one journal critique/journal club presentation (pass/fail)
Equine Dental Modules	C-E.13 & C-E.14	Suitably qualified University Staff	<p><b>FCP &amp; ELP</b> On line assessment submitted at designated times during module period (continuing assessment)</p> <p><b>AO</b> By post or email assessment submitted at designated times during module period (continuing assessment)</p>	Two open book examinations using a range of short answer questions, two reflective case reports (1500 words each) and one journal critique/journal club presentation (pass/fail)

Basic Equine Practice Part 1	C-E.15	Suitably qualified University Staff	<p><b>FCP &amp; ELP</b> On line assessment submitted at designated times during module period (continuing assessment)</p> <p><b>AO</b> By post or email assessment submitted at designated times during module period (continuing assessment)</p>	One portfolio of cases, three reflective case reports (1500 words each), one open book short answer and/or MCQ test and one journal critique/journal club presentation (pass/fail)
Basic Equine Practice Part 2 & 3	C-E.16 & C-E.17	Suitably qualified University Staff	<p><b>FCP &amp; ELP</b> On line assessment submitted at designated times during module period (continuing assessment)</p> <p><b>AO</b> By post or email assessment submitted at designated times during module period (continuing assessment)</p>	Three reflective case reports (1500 words each), one open book short answer and/or MCQ test and one journal critique/journal club presentation (pass/fail)
Equine Anaesthesia & Analgesia	C-VA.2	Suitably qualified University Staff	<p><b>FCP &amp; ELP</b> On line assessment submitted at designated times during module period (continuing assessment)</p> <p><b>AO</b> By post or email assessment submitted at designated times during module period (continuing assessment)</p>	Portfolio of cases (20 case log book), three reflective case reports (1500 words each), one short answer question and/or MCQ test and one journal critique/journal club presentation (pass/fail)
Equine Critical Care & Analgesia	C-VA.3	Suitably qualified University Staff	<p><b>FCP &amp; ELP</b> On line assessment submitted at designated times during module period (continuing assessment)</p> <p><b>AO</b> By post or email assessment submitted at designated times during module period (continuing assessment)</p>	Portfolio of cases (20 case log book), three reflective case reports (1500 words each), one short answer question and/or MCQ test and one journal critique/journal club presentation (pass/fail)

Equine Dermatology	C-VD.4	Suitably qualified University Staff	<p><b>FCP &amp; ELP</b> On line assessment submitted at designated times during module period (continuing assessment)</p> <p><b>AO</b> By post or email assessment submitted at designated times during module period (continuing assessment)</p>	Two short answer question tests, two reflective case reports (1500 words) and one journal critique/journal club presentation (pass/fail)
Imaging in Practice	C-VDI.1	Suitably qualified University Staff	<p><b>FCP &amp; ELP</b> On line assessment submitted at designated times during module period (continuing assessment)</p> <p><b>AO</b> By post or email assessment submitted at designated times during module period (continuing assessment)</p>	Portfolio of cases (50 case log book), three short answer question and/or MCQ tests, one reflective case report (1500 words) and one journal critique/journal club presentation (pass/fail).
Large Animal Diagnostic Imaging (A) and (B)	C-VD.4 & C-VD.5	Suitably qualified University Staff	<p><b>FCP &amp; ELP</b> On line assessment submitted at designated times during module period (continuing assessment)</p> <p><b>AO</b> By post or email assessment submitted at designated times during module period (continuing assessment)</p>	Portfolio of cases (50 case log book), three reflective case reports (1500 words each), one short answer question and/or MCQ test and one journal critique/journal club presentation (pass/fail).
Cardiovascular Anatomy, Physiology and Pathology	C-VC.1	Suitably qualified University Staff	<p><b>FCP &amp; ELP</b> On line assessment submitted at designated times during module period (continuing assessment)</p> <p><b>AO</b> By post or email assessment submitted at designated times during module period (continuing assessment)</p>	Portfolio of cases (20 case log book), three short answer question and/or MCQ tests, one reflective case report/essay (1500 words) and one journal critique/journal club presentation (pass/fail)

Cardiovascular Diagnostics & Cardiovascular Therapeutics	C-VC.2 & C-VC.3	Suitably qualified University Staff	<p><b>FCP &amp; ELP</b> On line assessment submitted at designated times during module period (continuing assessment)</p> <p><b>AO</b> By post or email assessment submitted at designated times during module period (continuing assessment)</p>	Portfolio of cases (20 case log book), three reflective case reports (1500 words each), one short answer question and/or MCQ test and one journal critique/journal club presentation (pass/fail)
Evidence Based Veterinary Medicine	C-EBVM.1	Suitably qualified University Staff	<p><b>FCP &amp; ELP</b> On line assessment submitted at designated times during module period (continuing assessment)</p> <p><b>AO</b> By post or email assessment submitted at designated times during module period (continuing assessment)</p>	One knowledge summary (2000 words), one clinical protocol (1500 words) and one journal critique/journal club presentation
Veterinary Clinical Audit	C-VGP.1	Suitably qualified University Staff	<p><b>FCP &amp; ELP</b> On line assessment submitted at designated times during module period (continuing assessment)</p> <p><b>AO</b> By post or email assessment submitted at designated times during module period (continuing assessment)</p>	Three discussion/short reflective essays covering the module content (500 words each) and one clinical audit (2500 words)

**Key:**

**FCP = Full course participant**

**ELP = E-Learning participant**

**AO = Assessment only**
