

RCVS CERT AVP ASSESSMENT METHODS – SMALL ANIMAL

Module Title	RCVS Ref No.	Summary of Assessors	How often will assessments be run and where	Assessment Details
Foundations in Advanced Veterinary Practice	A-FAVP.1	Suitably qualified University staff	<p>FCP & ELP On line assessment submitted at designated times during module period (continuing assessment)</p> <p>AO By post, online or email assessment submitted at designated times during module period (continuing assessment)</p>	Two case reports (1500 words each), two critiques (500 words each) and five assessed discussion boards
Small Animal Practice	B-SAP.1	Suitably qualified University Staff	<p>FCP & ELP On line assessment submitted at designated times during module period (continuing assessment)</p> <p>AO By post, online or email assessment submitted at designated times during module period (continuing assessment)</p>	Three reflective case reports (1500 words each), one truncated case report (500 words) and one journal critique/journal club presentation (pass/fail)
Feline Medicine (A)	C-SAM.4	Suitably qualified University Staff	<p>FCP & ELP On line assessment submitted at designated times during module period (continuing assessment)</p> <p>AO By post, online or email assessment submitted at designated times during module period (continuing assessment)</p>	Portfolio of cases (20 case log book), three reflective case reports (1500 words), one short answer question and/or MCQ test and one journal critique/journal club presentation (pass/fail)
Feline Medicine (B)	C-SAM.5	Suitably qualified University Staff	<p>FCP & ELP On line assessment submitted at designated times during module period (continuing assessment)</p> <p>AO By post, online or email assessment submitted at designated times during module period (continuing assessment)</p>	Portfolio of cases (20 case log book), three reflective case reports (1500 words), one short answer question and/or MCQ test and one journal critique/journal club presentation (pass/fail)

Feline Medicine (C)	C-SAM.6	Suitably qualified University Staff	<p>FCP & ELP On line assessment submitted at designated times during module period (continuing assessment)</p> <p>AO By post, online or email assessment submitted at designated times during module period (continuing assessment)</p>	Portfolio of cases (20 case log book), three reflective case reports (1500 words), one short answer question and/or MCQ test and one journal critique/journal club presentation (pass/fail)
Small Animal Medicine (A)	C-SAM.8	Suitably qualified University Staff	<p>FCP & ELP On line assessment submitted at designated times during module period (continuing assessment)</p> <p>AO By post, online or email assessment submitted at designated times during module period (continuing assessment)</p>	Portfolio of cases (20 case log book), three reflective case reports (1500 words), one short answer question and/or MCQ test and one journal critique/journal club presentation (pass/fail)
Small Animal Medicine (B)	C-SAM.9	Suitably qualified University Staff	<p>FCP & ELP On line assessment submitted at designated times during module period (continuing assessment)</p> <p>AO By post, online or email assessment submitted at designated times during module period (continuing assessment)</p>	Portfolio of cases (20 case log book), three reflective case reports (1500 words), one short answer question and/or MCQ test and one journal critique/journal club presentation (pass/fail)
Small Animal Medicine (C)	C-SAM.10	Suitably qualified University Staff	<p>FCP & ELP On line assessment submitted at designated times during module period (continuing assessment)</p> <p>AO By post, online or email assessment submitted at designated times during module period (continuing assessment)</p>	Portfolio of cases (20 case log book), three reflective case reports (1500 words), one short answer question and/or MCQ test and one journal critique/journal club presentation (pass/fail)

Small Animal Surgery Core	C-SAS.1	Suitably qualified University Staff	<p>FCP & ELP On line assessment submitted at designated times during module period (continuing assessment)</p> <p>AO By post, online or email assessment submitted at designated times during module period (continuing assessment)</p>	Portfolio of cases (80 case log book), three reflective case reports (1500 words), one short answer question and/or MCQ test and one journal critique/journal club presentation (pass/fail)
Small Animal Soft Tissue Surgery (A)	C-SAS.2	Suitably qualified University Staff	<p>FCP & ELP On line assessment submitted at designated times during module period (continuing assessment)</p> <p>AO By post, online or email assessment submitted at designated times during module period (continuing assessment)</p>	Portfolio of cases (20 case log book), three reflective case reports (1500 words), one short answer question and/or MCQ test and one journal critique/journal club presentation (pass/fail)
Small Animal Soft Tissue Surgery (B)	C-SAS.3	Suitably qualified University Staff	<p>FCP & ELP On line assessment submitted at designated times during module period (continuing assessment)</p> <p>AO By post, online or email assessment submitted at designated times during module period (continuing assessment)</p>	Portfolio of cases (20 case log book), three reflective case reports (1500 words), one short answer question and/or MCQ test and one journal critique/journal club presentation (pass/fail)
Small Animal Orthopaedic Surgery (A)	C-SAS.6	Suitably qualified University Staff	<p>FCP & ELP On line assessment submitted at designated times during module period (continuing assessment)</p> <p>AO</p>	Portfolio of cases (20 case log book), three reflective case reports (1500 words), one short answer question and/or MCQ test and one journal critique/journal club presentation (pass/fail)

			By post, online or email assessment submitted at designated times during module period (continuing assessment)	
Small Animal Orthopaedic Surgery (B)	C-SAS.7	Suitably qualified University Staff	FCP & ELP On line assessment submitted at designated times during module period (continuing assessment) AO By post, online or email assessment submitted at designated times during module period (continuing assessment)	Portfolio of cases (20 case log book), three reflective case reports (1500 words), one short answer question and/or MCQ test and one journal critique/journal club presentation (pass/fail)
Small Animal Anaesthesia & Analgesia	C-VA.1	Suitably qualified University Staff	FCP & ELP On line assessment submitted at designated times during module period (continuing assessment) AO By post, online or email assessment submitted at designated times during module period (continuing assessment)	Portfolio of cases (20 case log book), three reflective case reports (1500 words), one short answer question and/or MCQ test and one journal critique/journal club presentation (pass/fail)
Small Animal Critical Care & Analgesia	C-VA.3	Suitably qualified University Staff	FCP & ELP On line assessment submitted at designated times during module period (continuing assessment) AO By post, online or email assessment submitted at designated times during module period (continuing assessment)	Portfolio of cases (20 case log book), three reflective case reports (1500 words), one short answer question and/or MCQ test and one journal critique/journal club presentation (pass/fail)
Emergency Care (A) and (B)	C-ECC.2 & C-ECC.3	Suitably qualified University Staff	FCP & ELP On line assessment submitted at designated times during module period (continuing assessment) AO By post, online or email assessment submitted at designated times during module period (continuing assessment)	Portfolio of cases (20 case log book), three reflective case reports (1500 words), one short answer question and/or MCQ test and one journal critique/journal club presentation (pass/fail)

Veterinary Dermatology Core	C-VD.1	Suitably qualified University Staff	<p>FCP & ELP On line assessment submitted at designated times during module period (continuing assessment)</p> <p>AO By post or email assessment submitted at designated times during module period (continuing assessment)</p>	Portfolio of cases (20 case log book), three short answer question tests, one reflective case report (1500 words) and one journal critique/journal club presentation (pass/fail)
Small Animal Dermatology (A) & (B)	C-VD.2 & C-VD.3	Suitably qualified University Staff	<p>FCP & ELP On line assessment submitted at designated times during module period (continuing assessment)</p> <p>AO By post or email assessment submitted at designated times during module period (continuing assessment)</p>	Portfolio of cases (20 case log book), two short answer question tests, two reflective case reports (1500 words) and one journal critique/journal club presentation (pass/fail)
Imaging in Practice	C-VD.1	Suitably qualified University Staff	<p>FCP & ELP On line assessment submitted at designated times during module period (continuing assessment)</p> <p>AO By post or email assessment submitted at designated times during module period (continuing assessment)</p>	Portfolio of cases (50 case log book), three short answer question and/or MCQ tests, one reflective case report (1500 words) and one journal critique/journal club presentation (pass/fail).
Small Animal Diagnostic Imaging (Orthopaedic) & (Soft Tissue)	C-VD.2 & C-VD.3	Suitably qualified University Staff	<p>FCP & ELP On line assessment submitted at designated times during module period (continuing assessment)</p> <p>AO By post or email assessment submitted at designated times during module period (continuing assessment)</p>	Portfolio of cases (50 case log book), three reflective case reports (1500 words each), one short answer question and/or MCQ test and one journal critique/journal club presentation (pass/fail).

Cardiovascular Anatomy, Physiology and Pathology	C-VC.1	Suitably qualified University Staff	<p>FCP & ELP On line assessment submitted at designated times during module period (continuing assessment)</p> <p>AO By post or email assessment submitted at designated times during module period (continuing assessment)</p>	Portfolio of cases (20 case log book), three short answer question and/or MCQ tests, one reflective case report/essay (1500 words) and one journal critique/journal club presentation (pass/fail)
Cardiovascular Diagnostics & Cardiovascular Therapeutics	C-VC.2 & C-VC.3	Suitably qualified University Staff	<p>FCP & ELP On line assessment submitted at designated times during module period (continuing assessment)</p> <p>AO By post or email assessment submitted at designated times during module period (continuing assessment)</p>	Portfolio of cases (20 case log book), three reflective case reports (1500 words each), one short answer question and/or MCQ test and one journal critique/journal club presentation (pass/fail)
Evidence Based Veterinary Medicine	C-EBVM.1	Suitably qualified University Staff	<p>FCP & ELP On line assessment submitted at designated times during module period (continuing assessment)</p> <p>AO By post or email assessment submitted at designated times during module period (continuing assessment)</p>	One knowledge summary (2000 words), one clinical protocol (1500 words) and one journal critique/journal club presentation
Veterinary Clinical Audit	C-VGP.1	Suitably qualified University Staff	<p>FCP & ELP On line assessment submitted at designated times during module period (continuing assessment)</p> <p>AO By post or email assessment submitted at designated times during module period (continuing assessment)</p>	Three discussion/short reflective essays covering the module content (500 words each) and one clinical audit (2500 words)

Key:

FCP = Full course participant

ELP = E-Learning participant

AO = Assessment only
