A year in review – Centre for Proteome Research 2016

UNIVERSITY OF
LIVERPOOL

ACADEMIC SUCCESS

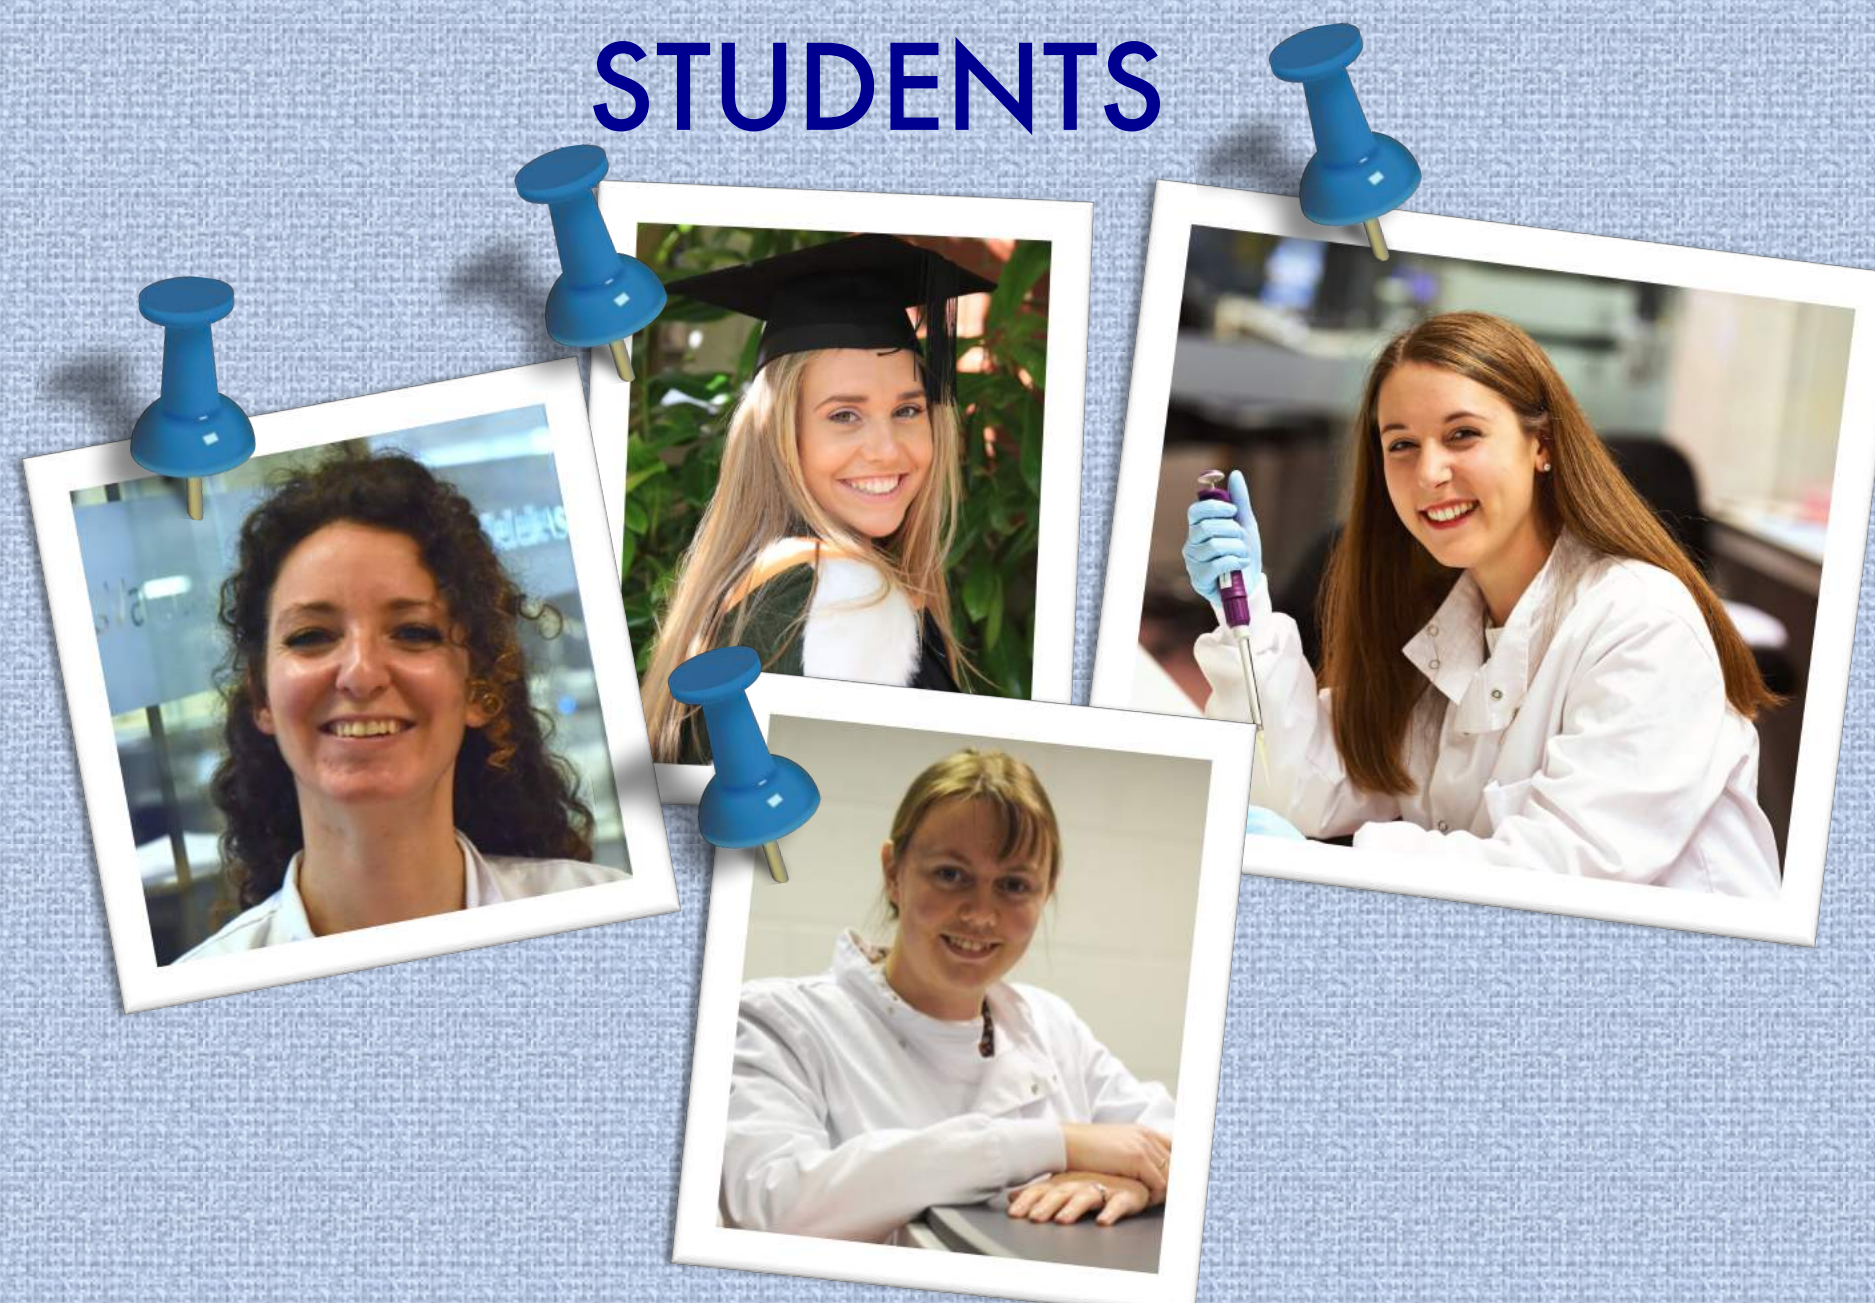

In July Vicki graduated with a PhD and Jonathan with a Masters, and Becki passed her PhD viva in November - many congratulations!

SHINY NEW INSTRUMENTS!

REIMS with iKnife, CESI and MALDI imaging sample preparation station!

NEW STAFF AND STUDENTS

In 2016 we welcomed Cat, Rosie, and Iris to CPR, and welcomed back Jos!

OUTREACH ACTIVITIES

CPR are committed to engaging the public, and particularly young people, in science. This year we've continued our program of activities with Winstanley College, hosted activities at a Family Day at Ness gardens and two Meet the Scientist days at World Museum Liverpool, put on three six-week Science Clubs at New Park Primary School, and a session at the Victoria Gallery summer science club. Judged at Big Bang North West, gave a Café Scientifique talk - "It's about the actors, darling!"...and many more!

BIOCHEMICAL
SOCIETY

SWIMATHON

Well done to Gemma and Grace who raised over £200 for Marie Curie!

Organized by Claire and Victoria with Waters Ltd and vital help from the organising committee, the fourth iteration of ProteoMMX 4.0 was held at the Queens Hotel, Chester in April 2016. It was preceded by the Biochemical Society Quantitative Proteomic course organized by Rob and Victoria.

WEDDINGS!

Congratulations to Victoria, Lynn and Jos who all got married this year!
