

# Boomerang

**Aim** To throw a boomerang such that it lands as close as possible to, but not on, the area from which it is thrown.

**Materials** 1 boomerang per team member 1 pair of safety glasses

**Method** Throw the boomerang!

**Conditions**

- All team members must wear their safety glasses.
- All throws must start from the paved area.
- The boomerang must pass over the line indicated on the grass.
- The boomerang must land on the grass.
- If a boomerang lands on the paved area, the throw is invalid.
- All throwing must stop when the marshal signals.

**Time limit** 25 minutes

**Ranking** The ranking order will be determined by the distance from the point where the boomerang comes to rest to the edge of the paved area.
