A photograph of a herd of elephants in a savanna landscape. In the foreground, five elephants are walking from left to right. They are of various sizes, including adults and young calves. The ground is dry and yellowish-brown. In the background, there is a line of acacia trees and a large, hazy mountain range under a clear blue sky. The overall scene is a typical African savanna environment.

A photograph of a traditional Chinese garden. In the foreground, a circular stone platform is surrounded by large, gnarled trees. A small pavilion with a thatched roof is visible on the left. In the background, a stone bridge crosses a body of water, and more trees are visible on the far bank. The scene is peaceful and scenic.

A group of gazelles in a savanna setting, with one gazelle in the foreground looking directly at the camera.

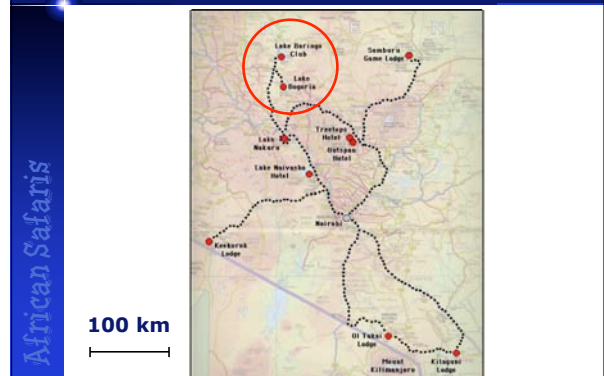

A leopard is shown resting on a large, fallen tree trunk in a forest. The leopard is lying down, facing left, with its head slightly raised. Its body is covered in a pattern of dark spots and rosettes. The tree trunk is thick and has a rough, textured bark. The background is filled with green foliage and trees, creating a dense forest environment. The lighting is natural, suggesting daylight.
