Some Astronomers Are ... Scientists

Some Astronomers Are ... Astrophysicists

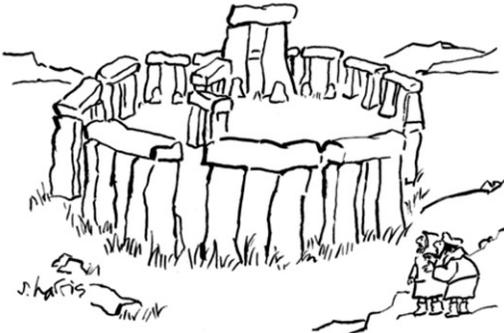

The Lighter Side of Astronomy

The Lighter Side of Astronomy

Ancient Astronomers

Remember – when summer time ends we have to give everything a slight turn to the left

Ancient Astronomers

Of course, it's still a complete mystery as to how the ancients even managed to MOVE these massive stones...

Famous Astronomers

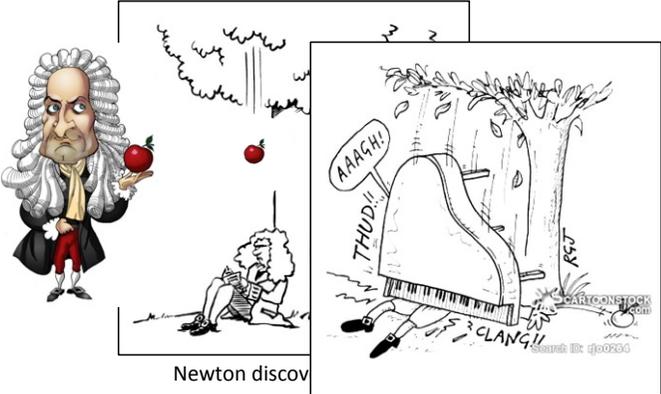

Galileo

If there were computers in Galileo's time

The Lighter Side of Astronomy

Newton

Newton discovers surrealism
